

Get a link to your web store!

Help us make shopping even easier for your families — add a link to your school's DENNIS web store to your school website! Here's how:

- 1 Visit <https://www.dennisuniform.com/webstore>
- 2 Search for your school. When you select it, a link to your school's web store will appear above the search field. Just copy this link and place it on your school's website where it will be easy to find!
- 3 Right-click & save one of our banner or button images to make the link even easier to spot on your school's website!
