

Booster Club Notice

For the 2008-2009 school year the Booster Club has decided to field two teams for each sport at each grade level, offering students a greater opportunity to play sports for St. Patrick. In order to make this possible, more participation from our parents and preplanning from the Booster Club will be required. The Booster Club will need various commitments from parents to make this happen.

The enrollment expectation will support two teams at each grade level. The 5th and 6th grade teams will be split into two balanced teams. The 7th and 8th grade teams will be evaluated and divided according to skill level.

Before this plan can be implemented we need to ensure that we have the resources available for a successful program for our athletes. At this time we are looking for Head Coaches, Sport Directors and Booster Club positions for the 2008-2009 school year. Additional positions will be needed when the seasons begin.

Listed below are the positions that need to be fulfilled for the 2008-2009 school year. The Booster Club needs your commitment *before May 9th* in order to prepare for the upcoming school year. Commitments for these positions should be directed to the Athletic Director through e-mail (athleticdirector@spswadsworth.org). Without the assurance that these positions will be filled we cannot offer this opportunity to our athletes.

Two Head Coaches for each sport/ grade listed:

Girls Volleyball - 5th, 6th, 7th, 8th grades

Boys Basketball - 5th, 6th, 7th, 8th grades

Girls Basketball - 5th, 6th, 7th, 8th grades
