Return to School on Fee Days

St. Patrick Parents' Association  
**Parent Volunteer Survey**  
2011-2012

Dear Parents:

Volunteers provide many valuable services for our school. The St. Patrick Parent's Association would like to better organize and expand the volunteer activities at St. Patrick's to support our school personnel and enhance the quality of education our children receive. We would appreciate it if you would consider sharing your talents with us as a volunteer. **Please return completed surveys to school during Fee Days in August.**

Some activities occur later in the school year. Please do not be alarmed if you are not called immediately. Please do not hesitate to indicate interest on a particular activity, even if you are unsure of your schedule for the school year. For many of these activities, you will receive a phone call before your help is needed, confirming that you are still interested and have the time available. *Thank you for your generosity.*
