SCRIP PROGRAM

Did you know! Some of our families have earned up to \$500 per quarter in tuition rebates by using the Scrip program. Which means they also earned \$500 per quarter for our school. Just think, you are purchasing Scrip for stores that you normally shop at and you are receiving money back in the form of a tuition rebate!

What is Scrip? It's a way to earn a tuition rebate for your family at no cost to you and to raise money for St. Patrick School! Our school buys gift certificates at a discount and then sells them at face value, making a profit on each sale. Just make your normal household purchases at the stores you shop.

Where can I use Scrip? Purchase the gift certificates for the stores you shop regularly, (see attached order form) and spend them like cash! There are many retail stores, grocery stores, gas stations and restaurants that participate.

Can I use Scrip to pay my store charge card? Kohl's accepts Scrip as payment on your account. When your bill arrives, just order Scrip, go to the store in person, and apply the Scrip to your account.

Who benefits from Scrip? YOU and St. Pat's benefit! You will receive half of the percentage you spend to be applied to your tuition account and St. Patrick School receives half of the percentage you spend. Anyone (grandparents, friends, neighbors, etc.) can buy Scrip and designate it for your family. You can help yourself and St. Patrick School while making your normal purchases.

How do I get Scrip? Scrip will be sold in the narthex after weekend masses and on Tuesdays, Wednesdays and Thursdays through backpack mail during the school year. Just send in your Scrip envelope through your child and your order will be filled and returned to you.

How do I pay for Scrip?

We accept cash or personal check as payment.

When can I start the Scrip program?

Right now! We will let you know when school sales will begin. For now, just visit the Scrip table in the Narthex when attending mass. Scrip tuition rebates will be posted three times a year. Tuition accounts will be credited for the October tuition payment, January tuition payment and April tuition payment. Families who have their last child in eighth grade who use this program will not receive any rebates after the April payment. If you would like to continue using the program and donate your rebate to the school for the Scholarship Fund, we would be happy to accept your donation.
