BUSSING FOR THE FIRST WEEK OF SCHOOL

Mrs. Susan Grum emailed bus schedules to all Woodland Bus riders earlier this week. Those who ride the Gurnee Bus system were notified by Gurnee School Transportation.

Both Gurnee & Woodland bus service begin the first day of school.

Kindergartners: as you have early dismissal the first week of school you will not have bus service at dismissal for that first week. Innovation Learning will also not be available for the early dismissal the first week.

PLEASE REMEMBER: The first two weeks of school the busses probably will not be on time. It takes time for the bus drivers to know their students as well as their routes. As the days go on, they will get their timing down but please be patient.
