Congratulations to our 8th Grade Math Team!

Mrs. Miller escorted our 7th and 8th grade math teams to the Carmel Catholic Middle School Math Competition on Feb. 23rd. Our 8th graders were awarded 2nd place as a team. They also earned 2nd place in the design-build competition (Hooray for our STEM programs!) Unfortunately, our 7th grade team was unexpectedly two members short on Saturday, so they did not place this year. Anne Kelly won 4th place in the individual overall competition of all contestants. I wish to thank Mrs. Miller for her preparation of our students and congratulate all our Math Hornets!

Catholic Relief Service (CRS) Rice Bowls

During Lent our community will participate in the CRS Rice Bowl, a faith in action program that invites us to encounter the needs of the world with hope of the Resurrection. As we prepare for this holy season, it is important to come together as a family and reflect on the crosses of hunger, poverty and war that our brothers and sisters forced to flee their homes carry. In so doing, we pledge to stand alongside these members of our human family, supporting them as the Gospel calls us to do.

Rice Bowls will be distributed to the youngest and only of each family on Ash Wednesday. They will be collected on Palm Sunday.
