Awesome Squiggles is a global art challenge project where our 1-3 graders created original art based on four squiggly lines. Grades 1 & 2 collaborated to make posters with their teams and 3rd graders made individual pages which they then narrated descriptions of in a video that we put together to share. We are so proud of the creativity and brainstorming the students in the IDEA Lab put into this project!

Here is a link to the 3rd graders video. <https://youtu.be/WLXJNzTl2hg>
