

2021-2022 St. Patrick School Annual Fund

Dear Friends of St. Patrick School:

Thank you for taking time to consider becoming a St. Patrick School Annual Fund Sponsor. The Annual Fund donations directly benefit all of our students. To continue the rigorous education of our community's youth, we wish to create long-standing partnerships with our local community businesses and hope that you will consider donating this year.

Since 1956, St. Patrick School has provided exceptional education to students from preschool through eighth grade. Our school has a diverse enrollment of over 500 children from over 20 different communities in Lake County, Illinois and Southern Wisconsin.

With the support and generosity from the local community businesses, we have raised over two million dollars over the last 25 years. The donations we receive from our donors directly provides an outstanding elementary and junior high educational foundation that is much needed to thrive in high school, college and beyond. Your contribution will help us continue to positively impact hundreds of children in our community!
