

## Board of Specified Jurisdiction

### WILL YOU HELP US SHAPE TOMORROW'S CATHOLICS?

Did you know that St. Patrick School is the parish's largest ministry? The St. Patrick School Board of Specified Jurisdiction (formerly known as the school board) is looking for caring parishioners and parents willing to provide leadership and governance to our already successful school! Whether you have school age children or not, this ministry is a fantastic way to influence our children's spiritual and academic lives. We are looking for individuals who express interest as future board members and/or to serve on the following committees:

- Fiscal Management
- Physical Resource Management
- Communication / Marketing
- Development
- Enrollment Management
- Ministry Effectiveness

In our rapidly changing society, ***are you willing to help shape our next generation of Catholics?*** For more information on how you can help, please contact [BSJ@stpatrickwadsworth.org](mailto:BSJ@stpatrickwadsworth.org). St. Patrick School has an appointed school board whose primary function is the oversight of school activities, in the six specified areas listed above. Policies are then implemented by the principal. Open board meetings are held every other month, as a full board, on the second Wednesday of the month at 6:30 p.m. beginning in September.

It is important to note that the Board of Specified Jurisdiction is not a grievance committee for settling parent-teacher problems. Any issues should begin with communication between the parent and teacher first and then can be handled via the principal. If you wish to address the board at a meeting, please call the school office or the board president to be placed on the agenda. The Board of Specified Jurisdiction agenda is prepared one week before each meeting.
