

St. Patrick Parents' Association
Parent Volunteer Opportunities
2018-2019

Dear Parents:

Volunteers provide many valuable services for our school. The St. Patrick Parent's Association would like to better organize and expand the volunteer activities at St. Patrick's to support our school personnel and enhance the quality of education our children receive. We would appreciate it if you would consider sharing your talents with us as a volunteer. **This would be over and above your tuition contract parent participation volunteerism. Please complete the Ivolunteer form if you would like to be available to volunteer in any of the below activities.** **The following is the link to the Ivolunteer form:**

Some activities occur later in the school year so you may not be contacted right away. Please do not hesitate to indicate interest on a particular activity, even if you are unsure of your schedule for the school year. The event coordinator will either call or email all volunteers to confirm your availability. Also be aware, you must be Virtus Trained and have done the background checks in order to do any volunteering with the school. *Thank you for your generosity.*

Please check as many of the activities on Ivolunteer that interest you. Help for activities throughout the year is also sought through the school's weekly bulletin which is posted on the web site.

1. Ice Cream Social – 08/20/18

This is a new event this year. The Parents' Association will be hosting an Ice Cream Social before the Meet & Greet. We will need volunteers to help serving ice cream. We would also like some parents to be around to answer some questions for any new families coming in!

2. Kindergarten Breakfast – 08/21/18

Kindergarten parents come in and spend the morning with us in Fr. Slattery Hall. We need volunteers to help set up the room and the food and to clean up afterwards around 10:00am.

3. Helping Hands Committee

This committee will provide meals to school families in need of assistance during difficult times. They also have a prayer chain that is provided as well.

4. Jog-A-Thon, Friday, 09/28/18

This has been stated as "the funnest day of the year"! Volunteers are needed to help run games and activities for the children.

5. Christmas Craft Night, Friday, 12/07/18

This was a wonderful success the past two years! The children had a wonderful time. We need people to help the children with the crafts and to also clean up during the dinner, as well as other various areas during the night.

6. Field Day, Grade K-5, Tuesday, 06/04/19

Mrs. Floyd has lots of great activities and games for the children to do on their Field Day. The parents are there to help run the games and activities.

7. Hospitality Committee

There are many events held at the school during the school day which may require donations of food and baked goods. We also could use some volunteers to set up for the events and clean up afterwards.
