Dear Parents,

We are in the process of determining whether to offer a four or five day, 4/5 year old, session for preschool. We ask that you fill out the normal registration form included in this packet but that you also fill out this form as well. This will determine whether we offer the 4/5 year old program and how many days.

This new program would be for the older four year old/younger five year olds and would be offered on a four or five day program. Depending upon the number of people who would sign up, the older students would be registered first. The Registration Fee for this program would be \$75.00 per student.

If it were offered, would you move from the three-day program to the four or five day program? Please make note below and send in with your registration.

\_\_\_\_\_ Stay in the three day program.

\_\_\_\_\_ Move to the four day program at a cost of \$265 per month.

\_\_\_\_\_ Move to the five day program at a cost of \$320 per month.

The results of this letter will determine what we are able to offer in the fall. We have set April 15<sup>th</sup> as the deadline for a decision.

Remember: please be sure to send in the regular registration for preschool, along with this letter. Thank you for your participation.
