Our Annual Jog-a-Thon was a hit!

Reporter: Anna H.

Friday September 29th was a fun day for students and teachers alike. The day started off with a speech and winner announcement made by Mrs. Bosnak followed by a parade from the fire department. Then the 7th and 8th graders jogged with their book buddies. The D.J. was a big hit with the students. For lunch, everyone got a bag of chips, a hot dog, and a juice box. Yum!

Together we raised approximately \$40,000. Way to go! Miss Dezelens's and Mrs. Pultorak's teams both brought in the most money. These classes will get a homework free day and a pizza party. Good job guys! Everyone brought in money, so everyone will get a day off of school as well! Yea!

We also send a BIG "thank you" to Mrs. Orchard for organizing this event! Thanks for everyone's participation and hard work!

Classroom News (Reporters: Christina and Erica)

Currently, 3rd graders are observing a frog in science. They have named the frog Chubby and have been working very hard to take care of him. They have been feeding him live crickets and keeping his cage moist. In return, he is giving them information on how frogs live and act.

The 4th graders have just created animal adaptation posters in science. When Mrs. Pultorak finishes grading them they will be up for display in the intermediate unit of the school.

Some 5th graders are doing exciting extracurricular activities as well. For example, Jordan B. finished 7th in her gymnastics competition. That's pretty good, but it is even more awesome when you're up against the whole NATION!

Upcoming Events *(Reporter: Thea P.)*

6th GVB FVCC Tournament	7:30 pm GVB-8th	Don't Get Lost in the Maze!

Hornet Headlines: St. Pat's Sports

Reporter: Lauren N.

The eighth grade girls' volleyball team has had a great season so far! Besides their loss at the first home game against St. Peter's, with the final scores of 28-26 and 25-23, they have won every game. They had a great win on September 30, when they placed first in a tournament at St. Anastasia's in Waukegan. They will be playing their rival St. Peter's October 2, and have three more games and two tournaments to finish off their season. I talked to Lauren R. about the upcoming game, and she had this to say, "We're gonna cream them like butter! Let's just hope everybody is in the 'zone' tonight!" Good luck girls!!

Brigitte serves an ace!

Reporters: Kelly P. and Brittany R

Sixth grade volleyball is well under way. The white team has won 4 out of 7 games the green team has won 4 out of 7 games. WOW! If you are interested in watching their games check out the school website. Seventh grade volleyball is doing great as well they have won 7 out of 10 of their games. Good job!!

Boys basketball for this season starts in October and the girls basketball season will start in December.

The 8th grade girls has a cheer-leading squad. The 6th and 7th graders are still looking for a coach, so talk to anyone interested in coaching cheer-leading.

Maddy makes a pass.

World News

Reporter: Nikki R.

As many of you might now know, Iran recently refused to stop their nuclear research program. Not only did they go against the UN and IAEA (International Atomic Energy Agency) they now plan to go against the U.S. In a statement to the UN, Iran said that if the U.S. continued its opposition to their

program they would have to make the U.S. face unspecified "harm and pain". This threat also went on to say that Iran might pull its oil exports to the U.S. Some are calling this a bluff because Iran relies heavily on oil to keep its economy afloat. If they do follow through with this threat though, you can expect gas prices to go up. All of this drama with Iran has many

speculating if we will go to war with them. When I asked 8th grader, Penny, what her thoughts on the matter were she said, "I really think that it's not just our problem, so we shouldn't have to fight them alone." With that said, let's hope that Iran will start to behave themselves.

Chicago Sports: Payton's Legacy Continues

Reporters: P.J. N. and Jack N.

Walter Payton was thought to be the greatest running back of all time. His family has recently opened a liver cancer wing at the University of Illinois Medical Center. They did this because, unfortunately, Payton died of liver cancer in November of 1999. Walter "Sweetness" Payton was MVP twice and broke Jim Brown's rushing record of 12,372 rushing yards. He was *NFL Player of the Year* twice and helped the Bears, his one true team, get to the super bowl in 1985.
