

2008 – 2009 Girls Volleyball

GVB is offered to girls in 5th through 8th grade. The season begins in early August and runs through October. The 6th, 7th, and 8th grades play their matches during the week at 6:00pm, 7:00pm & 8:00pm respectively. The 5th grade usually plays matches on Saturdays. All grades may participate in tournaments. These dates and times are dependent upon the tournament.

All volleyball practices take place at the Boehm Center. Practices times are available after school thru the evening on weekdays; weekend times are also be available. Practice times will be arranged with the coaches in late July. A team may not participate in more than three sporting events a week (i.e. 2 practices, 1 Match); excluding tournaments.

The athlete is expected to attend all practices and games. Parents are responsible for transporting their daughter to events, working home games and assisting at practices as needed.

All girls in 5th and 6th grades that sign up will be on the team. The 7th and 8th graders may have to participate in a tryout depending upon the number of athletes interested in playing. The team size is limited to 12 players. The 7th & 8th grade evaluations will be held in early August. The dates/times are dependent upon the schedule of the evaluators. The tryouts will not conflict with the Handbell event. You will be notified of the dates and times in late July, using the e-mail address you provide on the information sheet.

To play volleyball in the 2008-2009 season the athlete must turn in an Athlete information sheet (found on the Athletics page of the school web site) and the \$45 sport fee to Mrs. Fabry **before Wednesday, May 28th**. Entries must be received in May in order to prepare for an August 1st start date. You will not be given another opportunity to join; the rosters are final at the end of May.

Sport physicals (6th – 8th grade) are due August 1st. Your daughter will not be allowed to participate in the tryout or practices if her physical is not current. Physicals are valid for 1 year.

If you have any questions, contact the Athletic director; athleticdirector@spswadsworth.org
