

## 2022-2023 St. Patrick School Annual Fund

### Dear Friends of St. Patrick School:

As a valued member of our local business community, we are writing to you about the St. Patrick School Annual Fund. The Annual Fund was created to foster long standing partnerships with our local businesses. The ultimate goal is to continue the rigorous education of our community's youth and we hope that you will consider donating this year. Donations directly benefit all of our students.

Since 1956, St. Patrick School has provided exceptional education to students from preschool through eighth grade. Our school has a diverse enrollment of over 500 children from over 20 different communities in Lake County, Illinois and Southern Wisconsin.

With the support and generosity from the local community businesses, we have raised over two million dollars over the last 25 years. The donations we receive from our donors directly impacts the educational foundation that is much needed to thrive in high school, college and beyond. Your contribution will help us continue to positively impact hundreds of children in our community!

Your sponsorship dollars will help St. Patrick School build and enhance its educational programs. Our key initiatives include supporting our 1:1 technology platform, updating the Social Studies program and improving the technology infrastructure to expand learning opportunities.
