The 2024-2025 school theme will remain ***Gathered As One***. It is important to St. Patrick School that we help our children develop a strong and genuine relationship with our Lord. Gathered As One in Christ brings this mission to fruition.

St. Patrick School prides itself with a strong Catholic Identity. Our day begins and ends with prayer. Students will attend Mass twice per month and during liturgical seasons and on Holy Days of Obligation. They share in the Catholic traditions of praying the rosary and Stations of the Cross. All children have a daily religion class and those students at different grade levels prepare for the Sacraments of Reconciliation, First Holy Communion and Confirmation.

St. Patrick School understands the important partnership it shares with the parents that have entrusted their children into our care. Providing a faith-based environment creates the thread that is woven through all that we say and do. We pray to our Lord for His protection, guidance and blessings.

## 2024-2025 St. Patrick School Parent/Student Handbook

### A message from the Principal:

Dear Parents,

Welcome to the St. Patrick School family. The administration, faculty and staff are committed to providing a quality Catholic education for each student. Our goal is to partner with our parents in order to instill the morals and values that build solid Christian citizens of the future. Best practices in education are utilized to give our students an academically strong program allowing each child the chance to reach his or her full potential.

We have prepared this handbook to acquaint you with our philosophy, our programs, our policies and procedures. It should prove an easy reference for you and your children whenever any questions on policy or procedures come up. We are sending this to you digitally so you can save it to your desktop. It is also available on our website.

Please read our handbook carefully, discuss the items in it with your child(ren) and it is then required that you submit the *Handbook Acknowledgement Form*. This Google form link is found in the email where you received this handbook. Take the weekend to read over this important document, particularly the new additions. I am then asking all families to complete the Google Handbook Acknowledgement Form No Later than Friday, September 6<sup>th</sup>..

We hope that the information included will support us in our efforts to communicate well with you, our parents and students. **Please note that changes to this year's handbook have been made in blue print.** If an answer to a question cannot be found in this book or a concern arises, please contact your child's teacher and of course, my door is always open if further assistance is needed.

Please know St. Patrick School has taken the next step in providing a safe school environment for all of our students and staff. A safety film was installed last summer on all entrance door windows and all classroom door windows. This summer the next phase was complete. The safety film was placed on school windows at ground level. This film is meant to secure the glass from any possible intruders for a reasonable amount of time so that the school can lockdown if needed and have enough time to contact authorities. Your students' health and safety is our utmost priority.

The St. Patrick School faculty and staff realize the importance of our parent / school partnership and are committed to working together for their sake of each child entrusted into our care. All of us at St. Patrick's ask God's blessings on our endeavors.

In peace and gratitude,

*Mrs. Mary Vitulli*  
Principal

## **ACCREDITATION**

St. Patrick School is accredited by both the Chicago Archdiocese Office of Catholic Schools and the Illinois State Board of Education.

Once every five years the school undergoes an evaluation by the State of Illinois. Included in this evaluation are the review of records, teacher certification, building safety, policies and procedures, and a complete review of curriculum. Our last evaluation took place in the spring of 2021 in which we passed with no violations. We are fully recognized by the State of Illinois.

## **GOVERNANCE**

St. Patrick School is a part of the Archdiocese of Chicago Catholic Schools System and is recognized by the State of Illinois. As such, St. Patrick School follows certain state mandated and archdiocesan required policies. Being part of the St. Brigid Parish, local policies are developed by the administrative team of pastor, principal, and assistant principal in collaboration with faculty and staff.

## **MISSION STATEMENT**

***St. Patrick School is a Welcoming Catholic Community led by Caring Educators teaching a Rigorous Curriculum grounded in Christian Values developing Character and Respect for Others.***

(Newly written as of August, 2020)

## **PHILOSOPHY**

We are a Catholic School. We commit ourselves to the belief that each of our students is a child of God. As a staff, we dedicate ourselves to modeling Gospel values and thus fashioning a community of learning that will incorporate both parents and the larger parish family. Together we seek to achieve academic excellence. We create a warm, nurturing environment from which students will emerge with a disciplined, joyful image of themselves as the beloved children of God.

## **BELIEF STATEMENT**

In the words of Pope John Paul II, the mission of all Catholic schools is “to communicate Christ.” The faculty and staff of St. Patrick School believe as followers of Christ, we:

- ❖ Strive to model Christian morals and values, including prayer and service as an important part of our spiritual development.
- ❖ Treat each other as children of God with compassion, dignity, and respect.
- ❖ Believe academic integrity is based upon fairness, honesty, respect, responsibility, and trust.

## **VISION OF THE GRADUATE**

Graduates of St. Patrick School hold Catholic Faith and Values as the integral part of their total person. They understand, believe, and exhibit a Catholic Faith Life with reverence and compassion. They make this evident by acting responsibly with personal integrity and in building a sense of self-worth while respecting the unique giftedness of others.

With knowledge gleaned from **religious studies**, students realize that an understanding of church history, doctrine, and scripture empowers them to more fully experience Christ’s presence in their lives. They further know that by sharing in the Holy Mass and receiving the sacraments they are able to encounter Christ in a more personal way. Combined with an acceptance of Christ’s message to follow his teachings and commandments, they are able to put into practice a true faith relationship with God; one that is communal as well as personal.

In **Language Arts**, graduates utilize critical thinking skills, read and write for a variety of purposes and express themselves using Standard English in a grammatical, well-organized, and coherent manner. They are also experienced in reading, interpreting, and analyzing various genres of literature.

In application of the **scientific method**, graduates recognize and investigate problems, as well as formulate solutions by reason and evidence. They are then able to express and interpret their findings while making connections between science and the world they live in relative to individual, social, environmental, and technological concerns.

In **math**, graduates are problem solvers who think and communicate mathematically. They understand the value of mathematics and have an understanding of the problem-solving process. This is demonstrated in their knowledge of numbers and their representations in a broad range of theoretical and practical situations. They are conversant with how to investigate, represent, and solve problems using number facts, operations and their properties, and algorithmic relationships displayed with appropriate and rigorous mathematic vocabulary.

Graduates understand how **political, economic, social, and environmental situations affect history** and foreign policy both in the past and present. They are familiar with the function of government, the election process, and the responsibility of citizenship. Graduates also demonstrate a knowledge of the different geographical and cultural regions of the United States and the world.

Graduates understand the responsibility and value of using **technological resources** for research and educational purpose. When working with technology students will display digital citizenship and academic honesty. As cooperative and responsible participants of group physical activities, graduates model an attitude of fair play and sportsmanship while exhibiting movement skills and the concepts necessary to engage in health-enhancing physical activity.

As stewards of God's earth, St. Patrick graduates recognize their custodial responsibility to act in harmony with God's creation. They also realize that to do this they must put their beliefs and attitudes in practice throughout their lives and remain open to spiritual growth.

### **NOTICE OF NONDISCRIMINATION**

St. Patrick School is operated under the auspices of the Catholic Bishop of Chicago, a corporation sole, in the Archdiocese of Chicago. St. Patrick School admits students of any race, color, sex, national or ethnic origin to all the rights and privileges, programs, and activities generally accorded or made available to students in this school.

While St. Patrick School is not in full compliance of the American with Disabilities Act, the school does provide ramp access to the building entrance and the gym.

While St. Patrick School does not meet the Individuals with Disabilities Education Improvement Act in its totality, it does provide for the student body an excellent resource team made up of a full-time learning resource teacher, part-time reading resource, a part-time speech & language pathologist and a part-time social worker. Parents should confirm with the school principal if the school's resource team can meet the needs of their child.

It is the policy of St. Patrick School to provide equal opportunity in employment to all employees and all applicants for employment. No person shall be discriminated against in employment by reason of such individual's race, color, sex, national origin, age, military discharge, marital status, mental or physical handicap unrelated to the ability to perform the duties of the position, except when one of these characteristics is a necessary qualification of a position.

Should there be a discrimination concern raised, this concern should be brought to the pastor and president of the Board of Specified Jurisdiction. If a resolution is not found there, the party can bring their concerns to the Superintendent of the Office of Catholic Schools for the Archdiocese of Chicago.

**The school complies with applicable federal and state laws prohibiting discrimination:**

1. Title IX of the *Education Amendments of 1972*
2. *The Individual with Disabilities Education Improvement Act*
3. *The Age Discrimination in Employment Act of 1967*
4. *The VI of the Civil Rights Act of 1964*
5. *Title VII of the Civil Rights Act of 1964*
6. *The Americans with Disabilities Act of 1990*

**WELLNESS POLICY**

**BELIEF STATEMENT**

St. Patrick School is committed to providing a learning environment that supports and promotes wellness, good nutrition, and an active lifestyle and recognizes the positive relationship between good nutrition, physical activity and the capacity of students to develop and learn.

**INTENT**

The purpose of this policy is to ensure a total school environment that promotes and supports student health and wellness, helps to reduce childhood obesity and meets the requirements of Public Act 194-0199.

**RATIONALE**

Public Act 094-0199 amends the Illinois School Code, requiring the Illinois State Board of Education to establish a state goal that all districts have a wellness policy. The link between nutrition and learning is well documented. Healthy eating patterns are essential for students to achieve their full academic potential, full physical and mental growth and lifelong health and well-being. Schools and school communities have a responsibility to help students acquire the knowledge and skills necessary to establish and maintain lifelong healthy eating patterns. Well-planned and well-implemented wellness programs have been shown to positively influence children's health.

**GOALS FOR NUTRITION EDUCATION**

- Students in grades 6 through 8 shall receive nutrition education as part of a sequential program that is coordinated within a comprehensive health education curriculum. The curriculum shall be consistent with and incorporate relevant Illinois Learning Standards.
- To maximize classroom time and to achieve positive changes in students' eating behaviors, nutrition education shall be integrated into the standards-based lesson plans for students in preschool through 5<sup>th</sup> grade.

**GOALS FOR PHYSICAL ACTIVITY**

- Students in preschool through grade 8 shall participate in daily physical activity (on occasion this is not possible due to weather conditions or use of the gym and at the discretion of administration and staff) that enables them to achieve and maintain a high level of personal fitness.
- Elementary and middle school students shall participate in physical education.
- The school shall provide a daily supervised recess period to elementary and middle school students. *(On occasion students may temporarily sit out of recess for a certain number of minutes to regroup due to a behavior issue. We will also be providing a "Lunch Bunch" if on occasion a student needs to complete or make-up homework in 4<sup>th</sup> – 8<sup>th</sup> grade.)*
- Students shall be provided opportunities for physical activity through a range of before- and after-school programs including intramurals, interscholastic athletics, and physical activity during our after-care program.

## **GOALS FOR OTHER SCHOOL-BASED ACTIVITIES**

### *Parent Partnerships*

- The school shall support parents' efforts to provide a healthy diet and daily physical activity for their children. This support shall begin in elementary school and continue through middle school.
- Parents shall be provided information to help them incorporate healthy eating and physical activity into their student's lives. This information may be provided in the form of handouts or postings on the school website.

### *Healthy Eating Programs*

- The school's hot lunch program is subsidized by the government and contracted by the Archdiocese of Chicago. For more information about our hot lunch program, visit [www.fspro.com](http://www.fspro.com).
- The school has eliminated sweet treats during the holiday classroom parties and as a celebration of birthdays.

### *Physical Activity*

- Physical education shall be provided by trained staff members certified to teach physical education.
- Physical education classes shall have a student to teacher ratio comparable to those in other curricular areas.
- Physical activity facilities and equipment on school grounds shall be safe.
- The school is encouraged to work with the community to create a community environment that is safe and supportive of students walking or biking to school.
- A student may possess and use a topical sunscreen product while on school property or at a school-sponsored event or activity without a physician's note or prescription if the product is approved by the United States Food and Drug Administration.

### *Food or Physical Activity as a Reward or Punishment*

- School personnel shall be encouraged to use nonfood incentives or rewards with students and shall not withhold food from students as a consequence for student's actions.
- It is up to the discretion of school personnel whether there is a reason to withhold participation in recess as a consequence for student's actions. It is the policy of St. Patrick School not to use this strategy regularly.

## **PARENT/GUARDIAN CONDUCT**

Parents/Guardians in the local school community are expected to demonstrate respectful behavior at all times with faculty, administration, support staff, students, and volunteers whether on or off school grounds or at school-related events.

Unacceptable behaviors include, but are not limited to: harassment, verbal abuse, assault of or threats to the faculty, administration, staff, students and volunteers of the school.

Ordinarily, a student is not to be deprived of a Catholic school education on grounds relating to the actions/attitudes of parent/guardian. In some cases, one of the following actions may permit the continuation of the student in the school:

- Schedule meetings between school staff and the parent/guardian outside of regular school hours in a monitored setting.
- Conduct school business with the other parent/guardian of the student.

When, in the judgment of the principal and of the pastor, the behavior of a parent/guardian seriously interferes with teaching, learning, and a positive school environment, the administrator may:

- Inform parents that the right of the parent/guardian to be present on school grounds is temporarily or permanently suspended.
- Dismiss the child(ren) of the parent/guardian temporarily or permanently from the local Catholic school.

## SEXUAL HARASSMENT

Sexual harassment by one employee of another, by an employee of a student, by a student of an employee, or by one student of another is unacceptable conduct. Employees or students who engage in any type of sexual harassment will be subject to appropriate discipline, including suspension and/or dismissal.

Retaliation in any form against an employee or student who exercises his or her right to make a complaint under this policy is strictly prohibited, and will itself be cause for appropriate disciplinary action.

Any employee or student who knowingly makes false charges against an employee or a student in an attempt to demean, harass, abuse, or embarrass that individual shall be subject to the sanctions for misconduct set forth above.

The school will determine the facts regarding all allegations of sexual harassment in as prompt and confidential a manner as possible and will take appropriate corrective action when warranted.

  - Students will go directly to their homeroom or classroom.

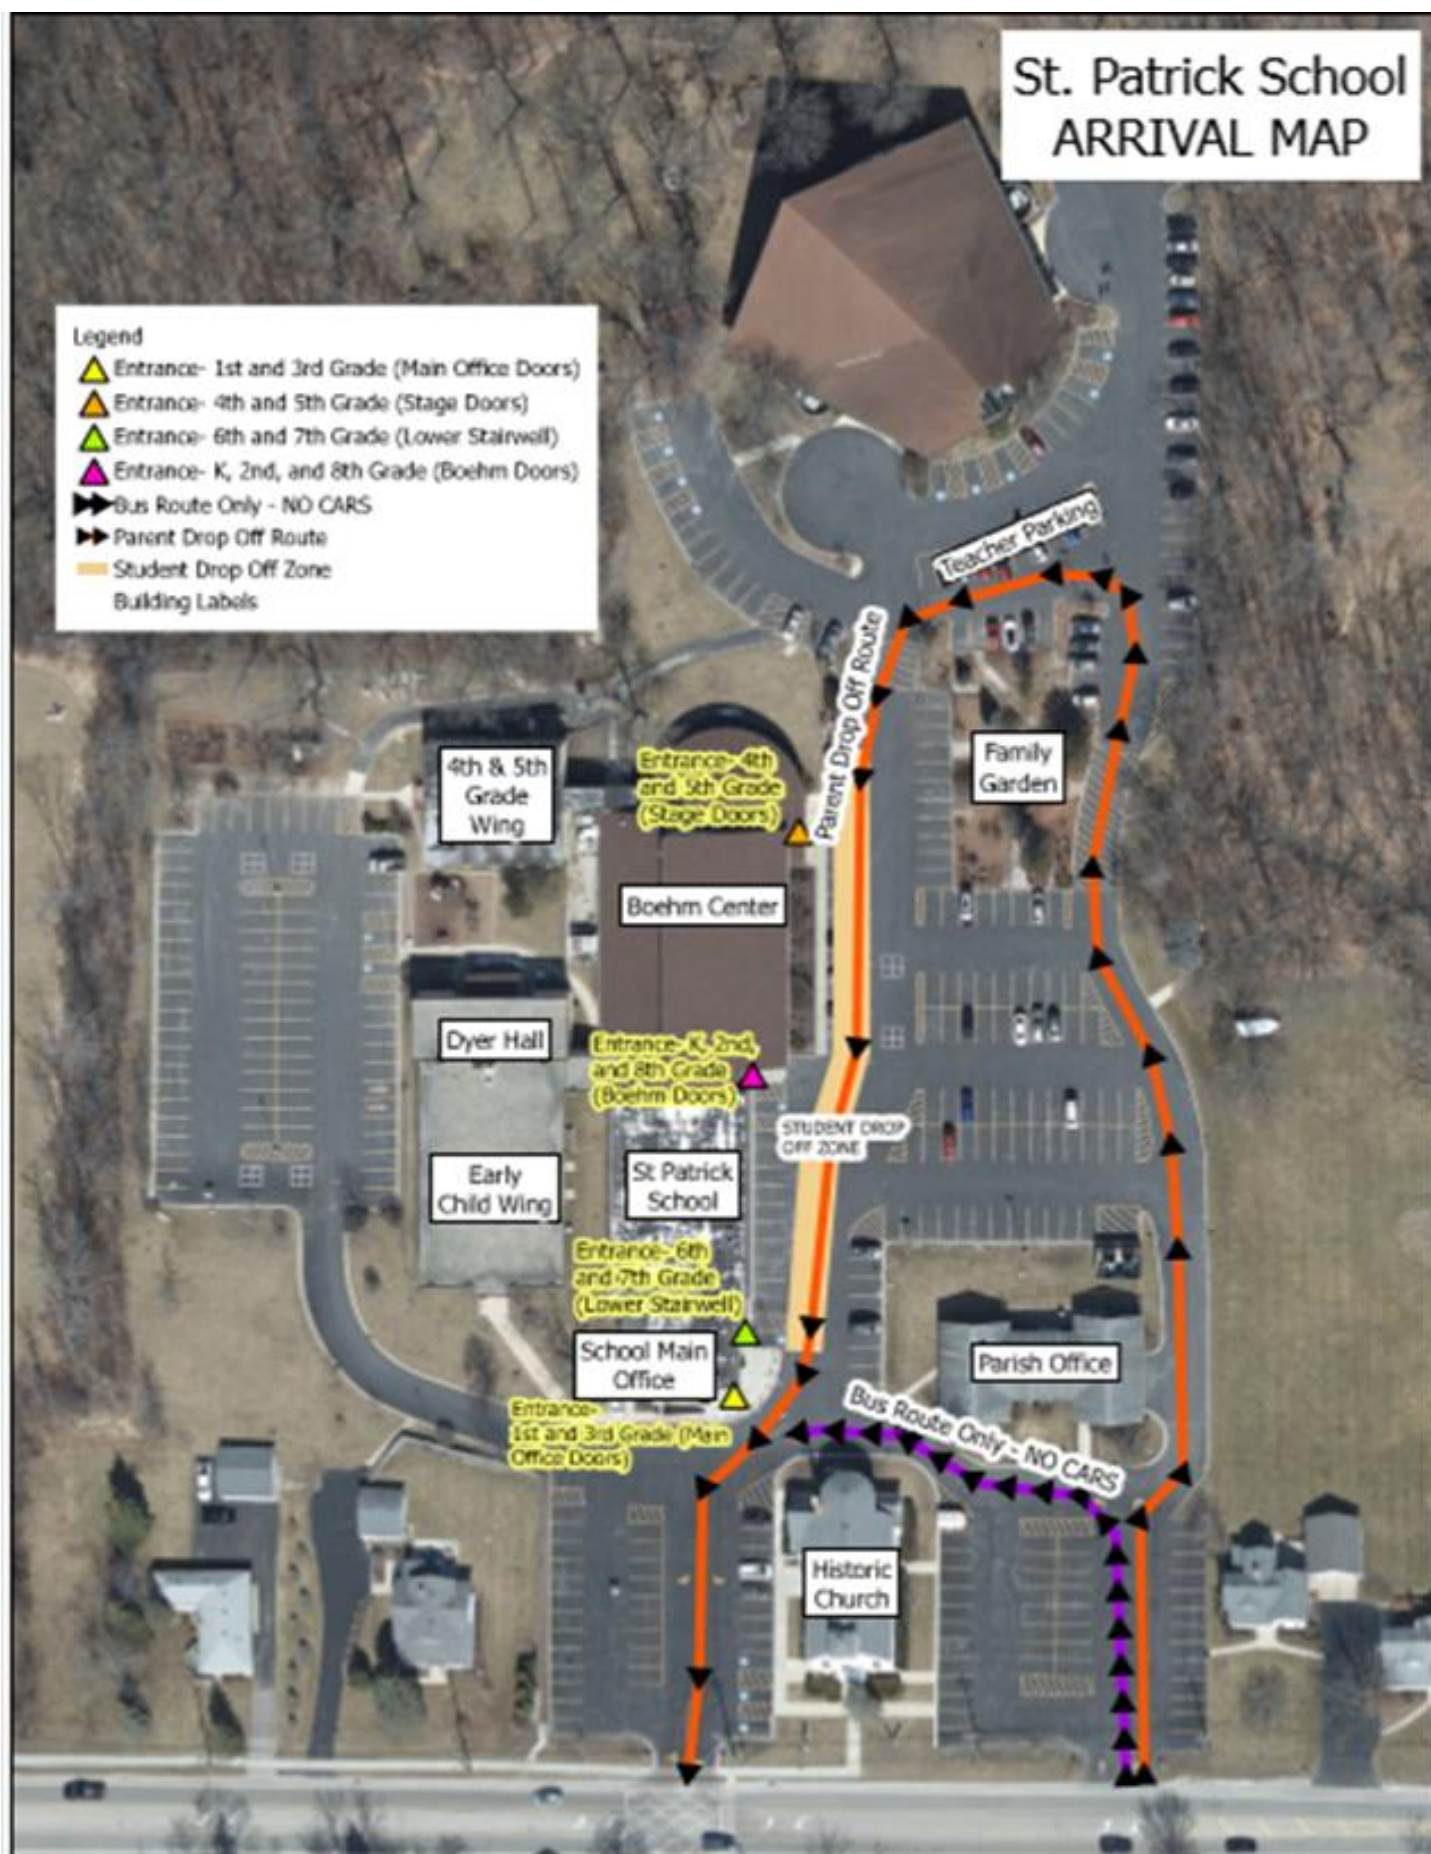

- ALL DOORS WILL BE LOCKED AT 7:55 A.M. If you arrive after 7:55 a.m., you will be directed to park your car in the west parking lot by the Historic Church and have your child wait for morning prayer and announcements to end.   - DO NOT PARK IN THE CENTER LOT

  - Always have your student exit from the passenger side of the car so your child does not exit the car into moving traffic.
  - If your student needs assistance, please roll down a passenger window. This is the cue for staff to come to your car to assist your child.
  - Please remain in your car so you are not stepping into moving traffic.
- After 8:10 a.m. a parent or guardian **MUST come in to the Main Office** to sign-in a student who arrives late to school.
- Reminder: Students who are chronically tardy miss important learning time and disrupt the classroom. If a student accrues more than two hours of tardy minutes in a trimester, the time may be made up after school. Please adjust your schedule in the morning so that students are on time.

#### **VISITORS & TEACHER MEETINGS**

We welcome parents/guardians to visit our school, but each visitor must sign in at the office window and wear a visitor badge throughout the entire visit. First time visitors will be asked to show a driver's license. The office will photocopy it for our records. Meetings with teachers need to be scheduled to ensure that they are available at the time you stop by. Meetings can be arranged by email or through the school office.

#### **PARENTS ATTENDING SCHOOL TIME EVENTS**

At the end of an event (typically at the end of the day), please do not stop by your students' classrooms to pick up your child(ren) to leave. Teachers are busy preparing for the end of the day. Come to the Main Office and we will call your student(s) to meet you there.

If your tuition compliance is working our Pizza Days, we ask that you refrain from "peeking in" or visiting your child's classroom. This disrupts the learning environment.

***\*Please note that this year's monthly tuition payments are less than last year due to changing the number of months from 9 payments to 10 payments. We hope this helps to alleviate some of burden from the needed tuition increase for this year.***

### **ST. PATRICK PARISHIONER RATE**

A parishioner tuition rate is available for families who demonstrate a commitment to St. Brigid Parish. First and foremost, a parishioner family regularly participates in the Mass and the sacraments available to a Catholic family. We ask that families tithe to the parish with whatever means they are able to do. In return St. Brigid Parish helps to subsidize the school in order to keep tuition rates as low as possible.

### **NON-PARISHIONER RATE**

Families who are not parishioners of St. Brigid Parish will be assessed a \$1500 tuition surcharge for 1 child and an additional \$750 for each additional child. This replaces the tithing of the parishioner family.

### **REGISTRATION**

Non-refundable Registration Fee (Paid in February per families)	\$200
Book Fee (Paid in March per student)	\$200
Technology Maintenance Fee (Paid in April per student)	\$200

### **GRADE SPECIFIC FEES**

Chromebook Leasing Fee (Paid in August)	\$200 per child
<i>(Additional Grade Level Fees Determined in August / No Tuition Payment is Required in August)</i>	

### **MANDATORY FUNDRAISING**

Each family is required to buy or sell 3 \$100 Spring Raffle Tickets. There are incentives for families to sell more if they can.

### **REQUIRED PARENT CONTRACT COMMITMENT**

ALL school families are required to participate in the St. Patrick School Parent Tuition Compliance Program of 15-20 hours of volunteerism. Tuition payments only cover 2/3 of the operating costs of St. Patrick School. The remaining revenue is generated through various fundraising efforts. All school families are required to volunteer time to fundraising or other activities. This activity of choice, either chosen or assigned, as outlined in the agreement, does not fulfill any requirement needed for families to qualify for the parishioner tuition rate.

## **2024-2025 PRESCHOOL TUITION RATES**

## **TUITION PAYMENTS**

Tuition payments are to be made in accordance with the schedule each family chooses through the FACTS tuition program. All required beginning-of-the-year school fees will be withdrawn from a family's FACTS account on August 15<sup>th</sup>. All families must set up an automatic FACTS withdrawal system when they register their child.

## **UNPAID TUITION**

***If a family's tuition is in arrears as of the FIRST DAY of the THIRD TRIMESTER, their child(ren) will not be allowed to attend school until the family account is current. A family must make an appointment with the principal to discuss their account.***

## **ADMISSION POLICY**

St. Patrick School admits students of any race, color, national, or ethnic origin to all rights, privileges, programs, and activities generally made available to students at the school. In admitting students to the school, preference will be given to parishioner families. Archdiocesan rules and regulations must be met.

It is the responsibility of the parent(s) to provide the school with a copy of their child(ren)'s birth certificate. The certified birth certificate is needed for each child entering St. Patrick School. The certified birth certificate must be the original from the county in which the child was born (not the hospital copy). Children entering Kindergarten must be 5 years of age on or before September 1.

Transfer student's records will be reviewed by the principal and teacher(s) before full-time student status is given. Ordinarily, 6th, 7th, and 8th graders will not be admitted unless new to the area or transferring from another Catholic school. Exceptions are made.

## **Priority of acceptance for Grades K-8**

Students in Grades K-8 will be admitted to St. Patrick School according to the following priority:

  - schools not offering full programs or parishes with no school.
5. Children of Non-Catholic families – St. Patrick Preschool families given first priority.

### **SPECIAL CONSIDERATIONS**

St. Patrick School recognizes that in some instances, alternative educational placement must be considered. In the event that the Principal, in consultation with the Pastor and the teacher, determines that a regular classroom placement at St. Patrick School does not meet the child's educational needs, the parent(s) will be required to find alternative appropriate educational placement and/or services for their child, which may necessitate the child's removal from St. Patrick School. The child will not be allowed to reenroll in St. Patrick School unless it is determined by the Principal that the school can meet the educational needs of the child within a regular classroom setting, in conjunction with special services provided by a public agency if eligible. St. Patrick School shall follow all Archdiocesan Guidelines that govern such matters.

### **TRANSFER OF RECORDS**

St. Patrick School follows the procedure of contacting the IL State Police Dept. whenever there is a request for the transfer of records for either a current or former student. This does not include the transfer of 8<sup>th</sup> graders moving to high school.

### **EXTENDED DAY THRU INNOVATION LEARNING**

St. Patrick School provides a Before and After School Program through Innovation Learning to our school families. They have a morning program from 6:30 – 7:30 AM. and an afternoon program from 2:45-6:00 PM. The program is held in Dyer Hall. Further information is available through the school website or in the Main Office.

### **AFTER SCHOOL CLUBS:**

St. Patrick School partners with, Chess Scholars to bring chess and other classes to our students. St. Patrick School will also provide its own afterschool enrichment programs in art and STEM for students in Grades 1-8 to enhance our children's learning experiences.

### **PARENT INVOLVEMENT**

Parents provide a large and indispensable contribution in making our school a productive educational experience. Our parents may volunteer as: classroom helpers, pizza day helpers, field trip chaperones, coaches, and/or room parents. Parents are asked to refrain from bringing their younger children with them when volunteering during the school day. We ask this so that your full attention is paid to school-age children.

As per the Archdiocese of Chicago's Office of Catholic Schools, all parents volunteering to interact with the students in the school or for a school function MUST fill out a Criminal Background Check, a CANTS form (DCFS background check), a Code of Conduct form AND go through a Virtus training session. \*Directions are

posted on our website. (Guest speakers are excluded.) There may be times during the school year that parents are welcomed into the classrooms. Meeting this requirement allows you to participate in any classroom special event.

It is important to note that parents working in classrooms have access to confidential information concerning the behavioral and academic progress of our children. Discretion should be used in discussing the difficulties involved in that progress. ***Parents should not use their cell phones or take pictures or video of students while working in the classroom.*** It is recommended that parents work in a classroom other than that of their child/children. **If parents are needed to help chaperone field trips, teachers will do their best to rotate the selection of parents.** The end-of-the year celebrations are called Field Days. Our P.E. teacher solicits many parent volunteers. Parents can also sign up to join the Parent Association.

New in 2023-2024 was the institution of *Parent Grade Level Ambassadors*. This is a tuition compliance choice. The responsibilities for our new ambassadors will be outlined by the principal and communication will be regularly sent between the grade level ambassador and the parents of that grade level.

The principal will establish "Exclusion Days" in which families are told that they may not send their child to school unless a plan for tuition payment is formulated or followed. Such days should be announced ahead of time so that the family and teachers can make appropriate plans.**

When a child is suspected of having **conjunctivitis (pinkeye) or having impetigo**, the parents are asked to remove the child from school and get immediate treatment. A child with pinkeye needs to be on medication for at least 24 hours before returning to school, AND no redness or discharge can be present in the eye or outside the eye. A child with impetigo needs to be on oral medication for at least 24 hours or topical ointments for at least 48 hours.

*This document was prepared by the Illinois State Board of Education in collaboration with the American Lung Association, Respiratory Health Association, Illinois Asthma Partnership, Chicago Asthma Consortium and Illinois Association of School Administrators in compliance with Public Act 99-0843.*

### Purpose

The purpose of this document is to provide assistance to a student experiencing asthma episode symptoms of wheezing, coughing, shortness of breath, chest tightness, and/or breathing difficulty.

### Equipment and Supplies

1. Prescribed quick-relief medication (albuterol, ProAir, Proventil, Ventolin, etc.). Many students have their own inhaler on their person, as allowed by state law. If asthma medication is not on the student, immediately summon school staff members who have access to the medication.
2. All equipment and supplies necessary for administering asthma medication (spacer, nebulizer machine, etc.)
3. Student's Asthma Action Plan (if available)

### Procedures

### **Diabetes Medical Management Plan:**

*(as described by the Center of Disease Control and Prevention)*

No two people manage their diabetes in the exact same way. Some students manage their diabetes independently. But younger or newly diagnosed students may need help with all aspects of their diabetes care. For this reason, doctor's orders for school care need to be specific for student. The American Diabetes Association has partnered with the National Diabetes Education Program to create a DMMP template that can be customized for every student.

- [Download the sample DMMP as a PDF.](#)

When using one of these templates, make sure that you modify it for the student and take out portions that do not apply to your student. The DMMP should be updated annually or whenever the child's regimen, level of self-management, or school circumstances change.

Parents/guardians are responsible for getting their child's completed and signed Diabetes Medical Management Plan (or doctor's orders) from their child's diabetes care provider. They should then give the DMMP to their child's school to implement and carry out doctor's orders. It should explain all the necessary elements of care and assistance.

### **Concussion Management Plan:**

A concussion is a type of traumatic brain injury that can have a serious effect on a young, developing brain. While most children and teens with a concussion recover quickly and fully, some will have concussion symptoms that last for days, weeks, or even months. A concussion can happen at home, school, or play. St. Patrick School follows the State of Illinois' policy on concussion management.

**Education:** St. Patrick School educates our Athletic Director, coaches, administration and staff through a concussion information sheet. Our *St. Patrick School Athletic Handbook* has specific definitions on concussion symptoms and guidelines on concussion protocols that are to be followed concerning our athletes and students.

### **CONCUSSION TRAINING**

**Remove Athlete from Play:** An athlete, whether during the school day or during an after school activity, who is believed to have a concussion is to be removed from play right away. A student who may indicate symptoms of a concussion from an accident during school hours will have their parents notified and depending on their condition may be sent home. Those diagnosed with a concussion need to have a concussion plan from their doctor as to what a student is able to handle as an athlete and/or with school work.

**Obtain Permission to Return to Learn / Play:** A student/ athlete can only return to play or practice after at least 24 hours and with permission from a health care professional. For long-term absences or academic adjustments, a Health Plan must be put in place based on the doctor's recommendation.

### MENTAL HEALTH PROTOCOL and ASSESSMENTS

St. Patrick School takes all indications of self-harm, suicidal thoughts and other significant mental health concerns seriously. When we have concerns about a student's emotional well-being, we will ask for the student to receive a mental health assessment from a licensed mental health professional (licensed clinical professional counselor, licensed clinical social worker, psychologist or psychiatrist) prior to the continuation of academics and co-curricular activities at St Patrick School. Below are the steps parents / guardians should follow to determine the most appropriate level of support for their child and to coordinate a smooth re-entry back to St. Patrick School.

1. Arrange for their child to be assessed in the community by a private licensed mental health professional as soon as possible. The school can help provide referrals to clinicians, agencies, hospitals and services who may be able to assess the student.
2. Follow the recommendations provided by the clinician, which may include but is not limited to: outpatient therapy, partial or inpatient hospitalization and / or medication management.
3. Sign a consent for release of information and arrange for the clinician to share the recommended treatment plan with the school to coordinate the student's re-entry back to school.
  - a. Student / Family confidentiality is adhered to as dictated by the Ethical Code of the American School Counselor Association.
  - b. All documentation should be faxed or emailed to the attention of the principal or school designee.
4. If the assessment and recommended treatment plan results in an immediate return to school, please see #6.

5. If the assessment results in a recommended extended absence defined as more than five days from school, the parent/guardian should contact the school principal or designee to communicate the preliminary treatment plan as outlined by the treating clinician. The principal or designee will communicate with the treatment facility and our faculty to collaborate on the therapeutic and academic needs for the student. The principal or designee will coordinate the provision of necessary information for the student's return to learn in a sensitive and confidential manner. The principal or designee should utilize the assessment information to begin drafting the Student Support Plan that will be finalized.
6. Re-entry back to St. Patrick School academics and co-curricular activities requires the following written statements from the evaluating clinician, which can be shared via fax or email to the principal and / or designee:
  - a. Evaluation date and outcome/diagnosis
  - b. Safety statement: the student is not at risk of self-harm or of harming others and it is appropriate for the student to return to St. Patrick School.
7. Therapeutic recommendations, treatment plan, discharge summary and a plan for the transition back to the school environment.
8. Upon receipt of documentation, the principal or designee will schedule a re-entry meeting.
  - a. This meeting will occur the morning on the school day the student will return to classes and will include the student, parent, or guardian, principal / designee and teacher. Please know other stakeholders may attend this meeting if needed.
  - b. The purpose of this meeting is to review the recommendations from the assessment and treatment plan to determine the most effective support system for the student's continued care both inside and outside of St. Patrick School. Based on the concern the school has about the student's continued personal well-being, an understanding of commitment to continued services and the school support process should be achieved. Collaborate with the student and parent in creating and implementing a safety plan.
  - c. Once all aspects of the re-entry meeting are accomplished and meet expectations, the student is authorized to return to classes and co-curricular activities.
9. Following the re-entry meeting, the principal or designee will schedule a meeting to review the Student Support Plan which identifies the schoolwork that needs to be made up, accommodations and supports.
  - a. This meeting would occur in the morning or afterschool on a school day shortly following the re-entry meeting (3-7 days) and should include the student, parent or guardian, school counselor (if applicable), teachers and all other appropriate faculty or staff members as needed.
  - b. The purpose of this meeting is to allow the student and their parents/guardians an opportunity to share details and provide an update about the cognitive, physical, social, emotional and academic challenges associated with the extended absence. In addition, all stakeholders should review the school support plan. This meeting should be one that reassures the student and family that staff will be available to help the student with any academic issues, and that it will be important for the student to reach out if he or she is feeling worried about their schoolwork.
10. St. Patrick School's social worker has a list of resources to help any family with mental health issues. We also use the Safe2HelpIL.com website.

### **DAILY ATTENDANCE**

St. Patrick School **requires** students to attend **daily** during the entire regular school term. Frequent absences jeopardize the effectiveness of any educational program. We realize some absences are unavoidable and indeed necessary for the child's health; however, we do ask that parents be aware of the importance of daily attendance at school for the academic and social development of their children. We also stress the importance of arriving to school on time. It is vital to the peaceful start of a student's day that students arrive between 7:35-7:56 a.m. Parents need to know that all students in Lake County area schools are expected to attend school every day.

## **ATTENDANCE MANDATES FROM ILLINOIS STATE BOARD OF EDUCATION**

As of October 20, 2022

### **Student Attendance Policy**

School attendance is fundamental to the academic success and spiritual growth of our students. For this reason, students are expected to attend school on a daily basis for the school term, unless an absence is excused.

A student is absent from school when he/she is not physically present on a required student attendance day. A student is tardy when he/she is not physically present at the posted opening of a regular required student attendance day.

### **COMPULSORY SCHOOL ATTENDANCE LAW**

#### **Reporting Process**

##### *Absences*

Any day that a student is absent from or tardy to school, the student's parent/guardian must call the school office at 847-623-8446 or email [hgardner@stpatrickwadsworth.org](mailto:hgardner@stpatrickwadsworth.org) within 30 minutes of the opening of a regular student attendance day to report the student's absence or tardy. If a parent/guardian fails to report a student's absence, it will be recorded as unexcused. The school will contact the parent/guardian if a student is absent and a notice of absence is not received within 60 minutes of the opening of the student attendance day.

A student absence will be excused if it is due to: (1) student illness (including mental/behavioral health); (2) observance of a religious holiday; (3) death in the immediate family; (4) a family emergency; (5) other situations beyond the control of the student as determined by the principal; (6) other circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional or physical health or safety; and (7) other reasons approved by the principal.

Absences due to medical reasons may be required to provide medical documentation. If medical documentation is required and is not provided, the absences will be marked as unexcused. Students whose absences are excused will be allowed to make up missed assignments.

##### *Unexcused Absences*

Students who participate in the "Take Your Child to Work" day, are absent for a sporting event or are on vacation will be marked absent and unexcused for the day. An unexcused absence is as an absence from school for a reason other than those listed above as an excused absence. Students will lose credit for assignments on school days or for classes from which the absence was unexcused.

##### *Tardies*

Students are expected to be in class on time so they maximize their learning opportunities. Students that arrive at school after the first bell has rung are considered tardy and must report to the school office upon their arrival. After reporting to the office, the student will be permitted to join his/her class. Tardies are recorded in the school office and are reported on the student's report card. Excused tardies are not counted. Students may accrue up to 5 each semester – Excessive absences or tardiness will be addressed on an individual basis and may be subject to disciplinary action.

##### *Early Dismissal*

If it is necessary for a student to leave school during the school day, the student's parent/guardian must call the school office at 847-623-8446. Students to be dismissed early from school will be picked up from the school office.

## **DIAGNOSTIC PROCEDURES TO IDENTIFY CAUSE OF UNEXCUSED ABSENCES**

Diagnostic procedures such as interviews with the student, his or her parent or guardian, and any school officials who may have information about the reasons for the student's attendance problem will take place in order to work with the student and the family.

## **LEAVING EARLY FOR DR. APPOINTMENTS**

We ask that parents do their best to schedule doctor and dentist appointments after school hours. When it is not possible to do so, we ask you try to schedule them for early morning or later in the afternoon. **Students will be called to the office when the parent arrives and not before. Students should remain in their classes so as not to miss instructional time until the parent signs the child out.**

## **PARTICIPATION IN AFTER SCHOOL EVENTS**

Students who are absent from school for all or any part of the school day because of a doctor or dentist appointment will be allowed to participate in any practices or school-sponsored activities held after school or during the evening of the day of the absence without the principal's permission. If a student is absent for a full or partial school day for any other reason they may not participate.

*Students who are not allowed to participate in P.E. class due to an illness or injury, may not participate in a sporting event held after school.*

## **EXCESSIVE ABSENTEEISM**

Excessive absenteeism means absences that total 10% or more of school attendance days in the current school year including both excused and unexcused absences. We will periodically review our student absence data to determine if any students are excessively absent and, if so, we may call the parent/guardian to discuss the reasons for the excessive absences. Additionally, if appropriate, the school may provide the parent/guardian with a list of resources where they may obtain counseling or social services that will encourage daily attendance and promote success.

If there is no improvement in attendance or cooperation by the student or parent guardian with its efforts for their child, the student may be withdrawn from the school.

## **INTERVENTIONS AND SUPPORTIVE SERVICES**

Students with chronic truancy and absenteeism will require a parent conference, student counseling and / or family counseling.

Students with excessive absences will be referred to the Lake County Superintendent of Schools' PROJECT P.A.S.S. ***If a child exceeds the 10% limit***, a doctor's note will be required for any absence thereafter or depending on the number of absences, retention may be recommended. ***We do ask that parents try to plan vacations during scheduled school breaks.*** Although the parents must make the final decision regarding a child's absence, the principal and the teacher are glad to discuss the probable effects upon the child.

**If a student has been absent for several days whether excused or unexcused, they may be required to stay back from a field trip to make up the work that was missed.**

**If a student has a D or lower in a class, they may be required to stay back from a field trip to make up missing work or to retake a test.**

## **EMERGENCY DAYS**

Remember to take into consideration the Emergency Days scheduled at the end of the school year and avoid making any plans on those days. They are there in case school days must be made up due to possible school cancellations throughout the year.

### **E-LEARNING EMERGENCY DAYS**

St. Patrick School's E-Learning Emergency Day Plan was approved by the Archdiocese of Chicago. This plan would allow teachers to instruct students on those days when students are home due primarily to weather closures or building emergencies. Through the use of technology and other resources, students would spend time during those emergency days completing work that is assigned. Teachers would be available to answer questions as needed from 8 a.m. to 2 p.m. with a break for lunch at noon.

### **E-LEARNING LONG-TERM**

Should the need arise again, as it did in the spring of 2020, St. Patrick School is prepared to move instruction off campus.

### **TRANSFERRING PROCEDURES**

If it is necessary to transfer your child from St. Patrick School, a release of records form must be signed at the new school of attendance. Records will be forwarded upon the receipt of this form. All fees and tuition must be paid before records are sent.

### **APPOINTMENTS WITH TEACHERS**

If you would like to meet with a teacher or the principal, please e-mail the staff member directly. Our teachers meet as a team with parents who request a conference. The number of teachers present depends on the grade level. This provides a parent with a comprehensive report of a student's progress in all areas. Our conference schedule is very busy before and after school. **Therefore, it is important to schedule the conference (no drop-ins please). Your promptness is appreciated.**

### **MESSAGES**

Teachers are not called to the phone during school hours. Parents should leave word with the school office if they wish to have a teacher call. Messages to children must be limited to emergencies. All arrangements for lunch, after school play, and special appointments are to be made with the child before he/she leaves home.

### **GRADUATION REQUIREMENTS**

All tuition, book fees, and library fines, etc. must be paid in full and all academic requirements must have been fulfilled in order to graduate (this includes passing both the U.S. Constitution Test and the State of Illinois Constitution Test with at least 66%).

Rewards are often given at the end of each trimester or for Dojo, twice each year. These rewards may include public recognition, raffles, prizes, certificates, tickets, special privileges, free time, celebrations, etc,

## **SOCIAL – EMOTIONAL LEARNING PROGRAM**

### **SECOND STEP**

St. Patrick School will continue to utilize the *Second Step* Social-Emotional Learning curriculum. *Second Step* is a research-based social-emotional learning program that has improved the lives of over 14 million students worldwide every year. In our classrooms from early learning, preschoolers, through grade 8, students will be taught invaluable skills that will help them navigate their way through school as well as their community. *Second Step's* age-appropriate games, activities, and media will engage students and set children on a path to lifelong success with improved social and emotional wellbeing.

*Second Step's* Social-Emotional Learning (SEL) will give students the tools to excel in and out of the classroom. The program has been known to see even the most challenging students make progress in emotion management, situational awareness, and academic achievement. When students are better equipped to manage their own emotions, form healthy relationships, make good decisions, and cope with everyday social and academic challenges, they're better equipped to learn.

### **RAINBOWS**

Rainbows is a peer support group program that helps children and adolescents process grief and emotional pain related to family loss, divorce, death and other life transitions. It is led by a trained adult.

## **DISCIPLINE PLAN- Revised July, 2024:**

### **DISCIPLINE PHILOSOPHY – K-8**

God has entrusted us with His children and charges us to prepare them to be responsible, effective members of the Roman Catholic Church and citizens of the United States. Discipline is at the very core of this educational enterprise. The administration, faculty and parents create a partnership in teaching the students of St. Patrick School the expected and appropriate behaviors. Those behavioral concepts are listed above. The goal of the discipline policy is to establish a peaceful school environment, maintain the academic integrity of the classroom, and create optimum learning opportunities in which all students can feel safe and succeed in gaining knowledge and growth. St. Patrick's goal is to make both our behavior matrixes and discipline plans flow from grade level to grade level so that expectations and consequences are age-appropriate and issued with the intention of helping students learn and grow from mistakes.

## **The Importance of Parental Trust and Partnership**

As parents, you have made the choice to send your child to St. Patrick School. Please trust that the faculty, staff and administration have only good intentions for each student who has been placed into our care. We want you to know and realize that if you have been notified about a behavior issue, it is initially just a warning so together we can partner to help your child change his or her behavior. ALL students are on a developmental and behavioral learning curve, therefore they need our guidance. And, depending on the situation, there will be a need for logical consequences. When children see the partnership that exists between home and school, they quickly realize the need for improvement.

### **Step One: Positive Reinforcement**

Teachers and students will collaborate on a set of policies, procedures and routines necessary for the safety / well-being of the students and the creation of an optimal learning environment. These rules include our school-wide **STAR Expectations of Safety, Responsibility, Christ-Like, and Respect**. They are discussed and explained in developmentally appropriate terms. Teachers will use the positive behavior incentives mentioned above to encourage students to follow these expectations and exhibit Christian values.

### **Step 2: Reminders and Redirections**

When students are having trouble following classroom or school policies and procedures, teachers will issue verbal and visual reminders, redirections, and warnings when necessary. Parents will not necessarily be notified of each of these reminders and redirections unless the behavior is not corrected. Teachers and units who utilize a visual reward/redirection system such as Class Dojo, charts, color cards, or check mark system will explain this system to students and families so that the system is clear to all.

### **Step 3: Logical Consequences**

For excessive or inappropriate behavior that violates our STAR expectations and/or causes a severe disruption to the school climate or class learning environment, teachers will issue age-appropriate consequences. Such behavior may include but is not limited to:

- Unsafe behavior
- Disrespect of others or their property
- Disrespect or damage to school property
- Harmful words and actions toward others
- Profanity/inappropriate language
- Disruptive or excessive behavior in the classroom/building
- Physical altercations
- Defiance or purposeful disregard of classroom rules/policies or adult directions

For students in grades K-3, appropriate consequences may include:

- Loss of classroom privileges
- Parent notification
- Removal from classroom to privately discuss behavior
- Office referral

## **Classroom Removal**

Classroom removal will become necessary if students do not adjust their behavior after earlier interventions. If classroom removal becomes necessary, students will be sent to the office and parents will be called to discuss the behavior. Students will only return to class when they are ready to correct their behavior and will need to first ask permission from the teacher who needed to remove them. All classwork missed will need to be completed at home. In grades 4-8, a demerit will typically be given for a first classroom removal. If students need to be removed again for behavior, a detention will be given, and the steps of the discipline policy will be followed.

## **Written Warning**

For students in grades 4-8, a Written Warning System has been established as a Step-3 consequence. Written Warnings are a formal system that tracks and informs parents of the inappropriate, disruptive, or excessive behavior listed above, as well as when a student is continually failing to follow expectations of responsibility and preparedness.

An email will be sent home when a written warning has been issued with an explanation of the offense that warranted it. This is done with the hope of partnering with families to reinforce expected behaviors. Please have a conversation with your child and reinforce the idea of taking ownership of one's actions before contacting the school.

## **Detentions**

A detention or other consequence can be given to support the learning process or to modify behavior. A student will be required to serve a detention once three written warnings have accumulated. Detentions may also be issued for even one occurrence of more serious offenses, including but not limited to: excessive/extreme disrespect toward another student or teacher, having a cell phone on one's person during the school day, cheating/plagiarism, causing physical or emotional harm to another student, and destruction of property. Notice of detentions will be emailed home to parent/guardian. A child's first detention will be served during their lunch and recess period. The second detention **MUST** be served after school from 3:00-4:00 PM on a determined date.

Students will spend their detention time filling out a conduct reflection form that will be used for setting goals for self-improvement. The detention teacher will hold a conference with the student to discuss the new plan of action. Parents may also request that their child perform service for the school during after-school detention time. This may include washing tables, stacking chairs, cleaning white boards, and similar tasks.

## **STEP 4: Behavior Conference**

If a student receives **TWO** detentions or **SIX** written warnings in one trimester, or if other serious or chronic behavior is observed in any grade level, a behavior conference will be called. There, the student, parents, teachers, and administration (when necessary) will write a behavior contract that will be in place for the remainder of the trimester. This contract will explain and define what future expectations and consequences should be and establish an action plan for what school staff, parents, and the student will do to ensure the student's future success.

## **STEP 5: Disciplinary Hearing**

If a student receives **THREE** detentions or **NINE** written warnings in a trimester, or in cases of severe school policy violations, a formal disciplinary hearing with the principal will be called to potentially impose more severe consequences including but not limited to suspension, removal from extracurricular activities, or barring from school events. Please see the section below on suspensions for a further explanation.

### **ACADEMIC HONESTY**

Academic integrity is an important value that is instilled in St. Patrick students. Because of the seriousness of this issue, all students in 4-8 grade caught cheating (giving or receiving answers) or plagiarizing will be given an automatic detention and will receive a grade reduction on the assignment at the discretion of the teacher, taking into account the severity of the violation. Multiple instances of cheating or plagiarizing will result in a Disciplinary Conference.

### **ACADEMIC WORK**

At the Junior High Level, students should not be working on assignments from other classes unless the teacher gives them specific permission to do so. Students are also not allowed to peruse other sites on their Chromebooks when attending classes. Because this policy has been explained thoroughly to students, this behavior will result in an automatic demerit.

### **HOMEWORK POLICY**

Homework is an integral part of our curriculum in all grades but particularly in Grades 4-8. Students in Grades K-3 may receive some homework throughout the week. Homework is the natural outgrowth of a class activity. It is designed to help students review, understand, extend, or enrich the subject matter presented in class. Homework can also be an invaluable DIAGNOSTIC TOOL for the student and the teacher.

### **HOMEWORK EXPECTATIONS**

Students are expected to do some homework daily. Depending on the subject matter it could include but not limited to written work, math problems, reading and studying. *An Assignment Notebook is provided to each student in Grades 3-5 to help them stay organized and responsible with homework. Students in Grades 6-8 find their assignments through Google Classroom, however some students can request a written Assignment Notebook if they prefer.* The amount of time spent on homework varies based on the grade level and will vary with each student's needs. Teachers may provide class time to begin homework. Students need to make good use of class time.

### **GRADE 4-8 LATE/MISSING WORK POLICY**

*Students are expected to turn in their work on time.* Most homework is due the next day. Some assignments may have an extended due date that will be communicated to the class. Parents and students should check PowerSchool, Google Classroom, and the 4-8 digital assignment notebook regularly to be aware of upcoming and missing assignments. Students in grades 4-5 and some in grades 6-8 will also keep a written assignment notebook. Teachers ask that parents contact their child's teacher should there be any unforeseen circumstances the night before or if a student has spent more than 2 hours on homework and was not able to complete everything. *Participating in sports or other extracurricular activities is not an excuse for incomplete homework.*

Students must turn in their work by either the beginning of the day or the beginning of class on the due date to receive full credit. Work turned in after this time will receive a 10% reduction of points. Missing/late work will not be accepted and remain a zero after 8 AM on the day of the final assessment of that section, chapter, or unit.

### **TEST CORRECTIONS**

**Our goal at St. Patrick School is that each child is learning, therefore if a student does not do well (receives a grade below 70%) on a test, then test corrections can be made in the hopes that the student will gain the knowledge he or she should know to move forward in a class. Students may receive a 1/4 of a point for each correct answer up to 70% on the test.**

**Test corrections must be made and returned to the teacher within a day following the original test.**

## **PARENTAL COOPERATION**

The school and the home are partners in a student's progress. It is recommended that each child make his/her home study a regular nightly routine. This encourages good study habits. Parents can help in this by:

- Providing the child with a quiet place to study.
- Setting aside a regular time each night.
- Assignment pads for daily homework are an excellent way for parents to see what work has been given and if it has been completed.
- Checking teachers' web pages /homework page/ and PowerSchool
- Parents may be asked to sign tests as directed by the teacher.

## **LONG RANGE HOMEWORK BENEFITS**

St. Patrick School takes pride in teaching our students not only all the academic skills necessary for being a successful student but the life skills needed also. The following are important to a student's development:

- Effective budgeting of time.
- Development of good work habit (particularly needed as students move to high school.)
- Opportunities for more self direction.
- Greater use of community resources
- Personal growth in responsibility

We are confident a positive working relationship between home and school will enrich the educational experiences of our children. Your support and cooperation is essential in this matter.

## **ACADEMIC INTEGRITY**

Integrity is of the utmost importance as part of a child's academic growth; therefore, school work and homework should ALWAYS be completed by the student and not by others. If a student copies or plagiarizes work on any assignment, he/she may receive a lowered grade on the assignment, or be asked to re-do the assignment under the supervision of the teacher. (Further consequences are at the discretion of the faculty and administration.) Multiple offenses of dishonesty may result in suspension or expulsion.

## **ABSENT/MAKE-UP WORK POLICY, GRADES K-3**

For short absences due to illness or injury, make-up work will be available either through the child's Learning Management System (See Saw or Google Classroom) or upon return to school. Work should be completed as soon as possible (ordinarily within a week). Missed tests will be made up at the discretion of the teacher. If a parent requests homework when they call/email that their child will be absent in the morning, every effort will be made to have the homework ready at dismissal time.

For long-term absences due to illness or injury (**vacation does not apply**), completion of make-up work and tests will be determined on a case-by-case basis by the teacher in consultation with the parent. Make-up work will be available upon return to school. Work should be completed as soon as possible (ordinarily within a week). Missed tests will be made up at the discretion of the teacher.

## **ABSENT/MAKE-UP WORK POLICY, GRADES 4-8**

**Most assignments can be found in Google Classroom or Virtual Homework Site (6-8).** Absentee work for those absent one or two days will be given when the student returns to school. One make-up day per day absent will be given. The points for the assignments may depreciate after this time. For those students who are absent for an extended time (three days or more), the teacher will advise the student which assignments need to be completed.

After three days of the child being absent, parents may pick up books after school at the office (please call the school office early in the day to arrange this). Teachers should be given ample time to gather work missed. Because the upper grade books are heavy and we do value instructional time, homework will not be sent home with siblings.

Make-up tests will be arranged with the teacher. Students will report to the designated room and will take the test under the supervision of a faculty member.

## **HOMEWORK HIVE**

**St. Patrick School provides a lunch / recess room one day per week for students who had an extended absence or students that have large assignments that must be completed. Smaller assignments (5 points or less) need to be done on the student's time at home.**

## **ANTI-BULLYING POLICY**

Bullying is contrary to Gospel values and has no place in any Catholic school. As Catholics we believe in the dignity and respect of each individual created in the image of God. Intimidation or disrespect of any person is unacceptable in the Catholic school community. ***Bullying is not to be confused with peer conflict which is generally considered normal disagreements that occur as children interact with other children.*** Illinois House Bill 5707 states that all schools must define bullying behavior and clearly state it is contrary to state law and school policy.

**Bullying Definitions:** At St. Patrick School bullying is defined as ***a persistent and/or chronic pattern of aggressive physical, verbal, written, and/or psychological behavior that is intended to harm another.*** Bullying can take many forms including violence, harassment, threats, intimidation, stalking, cyber stalking, theft, public humiliation, and retaliation of asserting or alleging an act of bullying.

**Cyber bullying** can include all of the above as well as the use of electronic tools, devices, social media sites, blogs, and websites to harm a student or students with electronic text, photos, or videos.

Included in this definition are alternate forms of aggression to include relational, indirect, and social aggression.

- **Relational aggression** includes acts that “harm others through damage (or the threat of damage) to relationships or feelings of acceptance, friendship, or group inclusion.”
- **Indirect aggression** allows the perpetrator to avoid confronting their target.
- **Social aggression** is intended to damage self-esteem or social status within a group.

## **ANTI-BULLYING POLICY – BULLYING WILL NOT BE TOLERATED AT ST. PATRICK SCHOOL**

School personnel intervene daily in the lives of students, reminding them of school rules, establishing limits, and imposing sanctions and consequences when appropriate. However, because bullying behaviors are malicious, often covert, and usually repeated over time; dealing effectively with such behavior demands a consistent school wide response as well as parental involvement. Both teachers and parents should be in regular contact with one another if bullying issues occur at school.

## **Outside the School Bullying Issues**

**Over the last 3 or more years, St. Patrick School has found that there has been an increase in outside bullying issues that transpire on a student's personal cell phone, computer or tablet. Inappropriate behavior and language can also take place on shared video game platforms, through social media or text messages. While the feelings that result from this kind of bullying may “bleed over” into school hours, parent must know and be responsible for any and all bullying that takes place outside of school.**

**Strategies:** The ultimate goal of the intervention plan is to change the child's behavior. The St. Patrick School plan uses specific strategies including reflective activities, social learning activities, and restorative activities to help students who have been involved in bullying incidents. Intervention activities, practical strategies, and procedures for implementation are outlined in the faculty handbook.

It is important that parents contact the school if there is any suspicion of bullying that may be occurring. The school will determine the facts regarding all allegations of bullying in as prompt and confidential manner as possible. All allegations of bullying must be taken seriously and dealt with appropriately by the administration and staff of the school.

## **OTHER SERIOUS BEHAVIORS**

### **TOBACCO (Including E-Cigarettes), DRUG AND ALCOHOL POLICY – ZERO (0) TOLERANCE - NO NEGOTIATION – NO EXCEPTIONS**

The abuse of tobacco, drugs and alcohol is counterproductive to the Christian social and academic climate of St. Patrick School. The use and/or sale of chemical substances by a student shall be dealt with seriously. Students will be held accountable if reasonable cause exists to believe that a student may possess or claim to possess, use, or is under the influence of narcotics, marijuana, or any related substances, hallucinogenic drugs, intoxicants such as alcohol or toxic vapors, or nonprescription drugs of medication, or paraphernalia for any of the foregoing, on school premises or at school related activities, on the school bus, or at a bus stop, or in transit to and from school. The following course of action will be taken:

1. The student(s) shall immediately be removed from the class, activity, or event.
2. The student(s) will be questioned and observed by the person responsible.
3. A member of the administration shall be notified as soon as possible.
4. We reserve the right to inspect all school and/or personal property.
5. **Concerns with E-Cigarettes and Vaping:** Please see the Lake County Health Dept. links below concerning the serious health issues related to E-cigarettes and Vaping:

Please open the following link: [Public Health Law Center / E-Cigarette Regulations - Illinois](#) and read what the law is regarding E-Cigarettes in Illinois.

*The principal shall immediately notify the local law enforcement of verified incidents involving drugs on school grounds. The principal shall notify the Illinois State Police through the School Incident Reporting System in IWAS.*

### **Misuse of Faculty and Staff Photos**

*Students may not download any administrators, teachers, or staff members' photo without explicit consent from that person. Students may not download any classmates picture without the permission of that student and his/her teacher.*

### **Battery Against School Personnel**

The principal shall immediately notify local law enforcement officials of written complaints from school personnel concerning instances of battery committed against school personnel.

*The principal shall notify the Illinois State Police within 3 days of each incident of battery through the School Incident Reporting System in IWAS.*

### **Firearms**

The principal shall immediately notify the local law enforcement agency of a firearm incident on the school grounds. If a student is in possession of a firearm, then the principal shall also immediately notify the student's parent or guardian. The principal shall notify the Illinois State Police through the School Incident Reporting System in IWAS.

### **Guidance by the Archdiocese for the Suspension of Students for Disciplinary Reasons**

In the rare event of serious or chronic disciplinary issues, a suspension may become necessary. Suspensions can be given if a student earns three detentions in a trimester and it may be served at the discretion of the principal. A suspension from school may also result in the removal from any sports teams.

The Principal shall formulate and promulgate a written policy regarding the suspension of students. The policy shall indicate the reasons for which a student may be suspended, and whether work may be completed for credit during the suspension. In general, suspensions should be reserved for serious or chronic behavior infractions.

This policy shall also include procedures to ensure that the imposition of suspension is fair and consistent. Such procedures shall include:

- 1.) An investigation of the alleged misconduct by a qualified school employee
- 2.) An in-person conference between the parent(s)/guardian(s) and the principal, as well as other designated and appropriate personnel, to discuss the proposed or actual suspension. This conference should include time for the student/parent to present any evidence to refute the allegations

- 3.) Written notice to parent(s)/guardian(s) citing the misconduct and the length of the of the proposed or actual suspension (typically provided after the in-person conference described in #2)
- 4.) Written notification to the Regional Director and Pastor (when applicable)

Suspensions may occur away from the school or within the school. Students who serve in-school suspensions must be monitored by a qualified staff member at all times.

Students are not permitted to participate in school-sponsored extra and co-curricular activities for the duration of their suspension.

### **Guidance by the Archdiocese for the Expulsion of Students**

The principal shall formulate and promulgate a written policy regarding the expulsion of students for disciplinary reasons (for withdraw for academic reasons, see §510.01). The policy shall indicate the reasons for which a student may be expelled.

Any student may be expelled or excluded from St. Patrick School for serious or chronic violations of the Student Code of Conduct that include, but are not limited to: physical, verbal, or sexual threats; substance abuse; possession of weapons or illegal drugs; chronic or serious bullying; serious and chronic lack of respect for school authorities; serious damage to school or student property; theft; or physical harm to student/staff.

*Principals shall submit the details of the allegations, the results of their investigation, and the reasons supporting their recommendation to the Regional Director in writing before the expulsion is implemented. Consultation and approval must take place before the expulsion proceeds.*

The policy shall also include procedures to ensure that the imposition of an expulsion is fair and consistent. Such procedures shall include:

- 1.) An investigation of the alleged misconduct by a qualified school employee
- 2.) An in-person conference between the parent(s)/guardian(s) and the principal, as well as other designated and appropriate personnel, to discuss the proposed or actual suspension. This conference should include time for the student/parent to present any evidence to refute the allegations
- 3.) Written notice to parent(s)/guardian(s) citing the misconduct and the length of the of the proposed or actual suspension (typically provided after the in-person conference described in #2)

Principals should consider suspension as an alternative to expulsion for infractions that occur within the last month of the school year. In some cases, it may be better to suspend the student for the remainder of the school year and allow him/her to complete and submit work from home. Such arrangements shall be decided by the Principal in consultation with the Regional Director.

Where the student misconduct warranting expulsion did not: (a) present a threat of harm or (b) result in any harm to the health and safety of school employees, students, volunteers etc., principals may, in their discretion, offer parents/guardians the opportunity to voluntarily withdrawal from the school before the student is expelled. If parents accept this opportunity, they should submit their intent to withdrawal their child to the school in writing. The expulsion or withdrawal of a student does not necessarily impact the registration of any siblings in the school.

Students may no longer participate in any school-sponsored extra or co-curricular activities once expelled.

### **Guidance by the Archdiocese for the Procedures To Be Followed in Cases of Expulsion**

In cases where a student is expelled, these procedures shall be followed:

- a.) The advice of a psychologist, physician, social worker, counselor, or other appropriate person may be sought (at the discretion of the Principal or designee).
- b.) The student is placed on suspension (see §407.00) for the duration of steps c-f (below).

- c.) Written note is sent to the parents/guardians describing the reasons for the student's suspension and proposed expulsion. For parish, consolidated, and inter-parish schools, the designated pastor should likewise be apprised. In most cases, it is advised that the principal (or designee) contact the parent/guardian via phone before sending home the written note.
- d.) A face-to-face conference shall be held between the Principal, other appropriate school staff, and the parents/guardians. The student may attend at the discretion of the Principal. Attorneys, parent-advocates, or other parties invited by the parents/guardians may not attend.
- e.) For Archdiocesan schools, the Principal shall submit the details of the issue and rationale for the expulsion to the Regional Director *in writing*. Permission must be obtained from the Regional Director before the expulsion proceeds.
- f.) Parents/Guardians should be given the opportunity to voluntarily withdraw from the school before the student is expelled. If parents accept this opportunity, they should submit their intent to withdraw their child to the school in writing. The expulsion or withdrawal of a student does not necessarily impact the registration of any siblings in the school.
- g.) Principals should consider suspension as an alternative to expulsion for infractions that occur within the last month of the school year. In some cases, it may be better to suspend the student for the remainder of the school year and allow him/her to complete and submit work from home. Such arrangements shall be decided by the Principal in consultation with the Regional Director.
- h.) Students may no longer participate in any school-sponsored extra or co-curricular activities once expelled.
- i.) Parents/Guardians of Archdiocesan schools may submit an appeal to the expulsion, in writing, to the Superintendent.

In the interest of keeping all students and staff members safe, we ask you to follow these guidelines when picking up students at the end of the day:

- pets riding in cars should be leashed
- cell phone usage is prohibited in school zones in the State of Illinois.
- drivers should be licensed (no student driver, please)

## **ADULT CELL PHONE USAGE**

Cell phone use by adults is prohibited while dropping off or picking up students. Remember, it is the law. Cell phones are a distraction to drivers while children are waiting for rides or boarding their vehicles. Safety first, please.

## **GENERAL COURTESY and MANNERS NOT OLD FASHIONED**

Each student is expected to reflect the good training in courtesy that he/she has received at home, whether he/she is at school, on the playground, on the bus, on the street, or wherever he/she goes. Common courtesies to be observed:

1. Holding doors and greeting teachers and visitors.
2. Speaking politely to everyone.
3. Cleaning up after one self.
4. Taking one's turn in line.
5. Helping others when in need.
6. Being quiet in halls and classrooms so as not to disturb others.
7. Taking good care of school and personal property.
8. Remembering to use "please" and "thank you" and "excuse me."
9. Being considerate of others, especially the little ones.
10. Keep desks and lockers orderly and clean.
11. Keep classroom, bathroom, hallway, desk and locker walls clean of destruction.

## **LUNCH TIME MANNERS**

Children eat lunch in their classrooms. Please give your child only what he or she will eat. Also, put the child's name on their lunch bag. Children may bring a sack lunch or order hot lunch through FSP by the month. Milk may also be purchased monthly.

Sometimes children forget their lunch and we must call home to have a lunch delivered. We ask that you refrain from fast food lunches such as McDonald's, Burger King, Subway, etc. Students will not be permitted to eat these lunches in the classroom; rather they will be asked to eat in the office.

Children should only bring lunch for themselves and not provide for others.

**Policy requests good table manners and good conduct while eating.** It is unacceptable to throw food or to leave a mess on a student's desk or floor. Students are to speak with inside voices and are expected to respond to their teacher for instruction to line up, etc...

## **PLAYGROUND**

The children go out for lunchtime recess except in bitter cold, rain or severe weather. We will remain inside if the wind chill temperature is 10 degrees or below. They should wear appropriate clothing at all times. Children with serious colds who cannot go outside should be kept at home until they are well. It is difficult for us to provide indoor supervision during the lunch time. Please check your children occasionally to see that they still have mitten and boots. These items are lost so quickly and we don't want to send children outside without them.

## **LOCKERS**

Each student in Grades 4-8 will be assigned to a locker on the first day of school. The ownership of the locker is maintained by St. Patrick School. No locker decorations of any kind are allowed. Only magnetic items may be used inside a locker (i.e mirrors, containers.)

Students in grades 6-8 are issued a school lock and are encouraged to keep their lockers locked at all times. Other locks may not be used. The student is granted limited use of the locker with these regulations:

1. The assignment of a locker to a student and the use thereof by the student is subject to the right of the school administration to have access to the locker at any time.
2. The only items that may be placed in the locker are articles of clothing, school books and supplies relating to school use, lunches, and personal items which the student is legally entitled to have in his or her possession. Money and/or expensive items should not be kept in lockers, but should be taken to the office for safe keeping and then taken home.

**\*CELL PHONES should not be kept in lockers. If student is allowed to bring a cell phone to school then it must be turned into the child's classroom/homeroom teacher. See cell phone policy.**

3. Students in grades 6-8 are to purchase a lock (from the school) for use on their lockers.
4. The school is not responsible for lost or stolen property.

## **SEARCHES CONDUCTED BY SCHOOL PERSONNEL**

**The following notice must be published in school/parent/student handbooks.**

**Directive from: *Archdiocese of Chicago Office of Catholic Schools Administrative Handbook***

### **Searches of School Property:**

**All property of the school, including student desks and lockers, as well as contents, may be opened, searched or inspected at any time without notice. School personnel have an unrestricted right to search this property as well as any containers, book bags, purses, or articles of clothing that are left unattended on the school campus. School personnel should always have another school authority present when conducting a search.**

## **TRANSPORTATION**

Children must ride their own bus home. If a child who rides the bus needs to be picked up, a note and / or a phone call from the parent is required. ***Only call during the last minutes of the school day if there is an emergency in change of plans for your child.*** Calling late in the day creates confusion and can result in miscommunication. The safety of your child is of the utmost importance to us. If a note does not accompany the child to school, the child will use the usual mode of transportation home. Only children who do not ride the bus must be picked up after school by 3:15 P.M.

## **BUS CONDUCT**

All children riding the bus must act with courtesy and respect just as would be expected on St. Patrick School campus. Regulations are for the safety of the passengers; therefore, a child who endangers the safety of the others may be removed from the bus for a determined period of time. We will cooperate with the public schools completely and follow their recommendations. If a student continues to disobey these rules and/or other directives given by the bus driver, that student and their parents may have to seek alternative transportation to and from school.

## **BUS INSTRUCTIONS**

1. Be on time at the designated stop. Stay off the road.
2. Wait until the bus stops before attempting to enter or leave.
3. Keep hands and head inside the bus at all times. Nothing is to be thrown from the bus or inside the bus.
4. Food and gum are not permitted on the bus.
5. Remember loud talking will distract the driver. Yelling is never allowed.
6. Remain in seat while the bus is in motion. Keep aisles clear of feet, backpacks and other items at all times.
7. Be absolutely silent when approaching a railroad crossing.
8. Bus drivers will stop at authorized stops only. To get off at a different stop, the child must have a note.
9. Do not cross in back of the bus--cross in front of the bus.
10. OBEY THE BUS DRIVER AT ALL TIMES.

## **Policy regarding Bus Infractions**

***Please be aware that all buses are equipped with video cameras that record all actions on the bus every day. Students have been informed that they are being videotaped while riding the bus.***

If you reside in the Woodland School District, busing is only available in Woodland's district north of Grand Avenue (Route 132) either from your home or a babysitter's. \*\*Woodland School District will not provide bus service on days they are not in session. On those days, it is the parent's responsibility to bring your child(ren) to and from school. Those days will be posted in the school calendar.

## **SPORTING EVENTS**

Students who are not part of a sports team can attend a sporting event as a spectator. ***Each student must be accompanied by an adult.*** The behavior expectation of spectators is that they remain in the gym to cheer on their fellow St. Patrick classmates. If students do not follow the rules that exist during the school day or they exhibit unsportsmanlike behavior, they will be asked to leave the game.

## **GENERAL INFORMATION**

### **PERSONAL PROPERTY**

Parents are asked to **MARK CHILD'S NAME** on clothing, lunches, books, equipment, etc. St. Patrick's is not responsible for personal items brought to school by the child. A "lost and found" will be provided for lost articles. Please ask your child to check this area if something is missing. Lost articles will be displayed periodically throughout the year. Unclaimed articles will be discarded. Children should not carry valuable items or large amounts of money to school. In the event that anything of value is brought, please caution your child to keep the item on his person. Since books are used on a rental basis, it would be advisable for students to have waterproof book bags. School owned materials which are damaged will be paid for by the responsible student. **Book covers must be put on all hard covered books.** Do not use contact paper to cover books or tape the covers to the books.

### **SCHOOL PROPERTY**

Due to the fact that we are not state funded for replacement of any of our educational material or supplies, we have instituted a policy for replacement. If a student marks or defaces in any way desks or other school property (computer software, library books, windows, textbooks, etc.), he/she is liable for replacement cost. Parents will be notified and are liable for any vandalism to school desks or property.

### **PARTY INVITATIONS / GOODIE BAGS for STUDENTS**

At St. Patrick School we place a premium on instructional time. We ask that party invitations be sent through the mail. Invitations will not be distributed at school unless every child in the class is invited to the celebration. We also discourage "Goodie Bags" be given out at school. It is best to save those for the child's birthday party.

### **GIFTS FOR STAFF**

We are asking our parents to refrain from collecting money from parents in their class for teacher gifts. Parents have different financial obligations to meet throughout the school year. Gifts should be left to the discretion of individual families and is suggested to not exceed \$25.00.

### **WATER BOTTLES**

**Water bottles are no longer a requirement. Our water fountains are open and available to students. If a student wishes to bring a water to school, it must be reusable. It no longer needs to be clear. Any clear or a metal bottle will be allowed. The flimsy recyclable water bottles are not allowed. The athletic squeeze water bottles are not allowed. Only water is allowed in the water bottle. No juice, soda, lemonade, coffee or Gatorade. Put your child's name on their bottle.**

### **FIELD TRIPS**

The Chicago area and surrounding areas offer many opportunities for field trips. **Except for end of year trips**, field trips are meant to correlate with the curriculum. If parents are asked to chaperone a field trip, please sign up only if you are in compliance with Archdiocesan guidelines by being Virtus trained. Siblings are not be allowed on trips. Each student must return a permission slip signed by the parent for each trip. We are requesting one permission slip for each grade level scheduled field trips and a one-time fee that will be paid with miscellaneous fees in August. A teacher may choose to add a field trip during the year with the permission of the principal.

***All students in grades K-8 are required to ride to and from the field trip on the bus provided by the school unless a parent is given special permission by the principal. The eighth grade trip will be limited to one day.***

### **HOLIDAY PARTIES**

Due to the number of food allergies, food treats will not be a part of the four holiday parties. A holiday craft will be provided by the school instead. Room parents will provide games and prizes and will work with students on creating the craft.

### **BIRTHDAYS**

In keeping with the Wellness Policy, parents are asked not to bring in a special treat for a child's birthday. Instead each teacher will decide how students will be recognized in each individual classroom. The summer month birthdays will be celebrated during the months of September and May. For all students, on their special day, their birthday will be announced during morning announcements and they will be sent to the office for a special birthday surprise from the principal.

## **STUDENT COUNCIL**

Two students from each classroom in grades 4-8 will be asked to serve on the Student Council. These students should be academically responsible and exhibit positive leadership skills. Selected students who do not maintain their academic responsibility or continue to exhibit positive behavior may be asked to relinquish their position. The Student Council meets with the principal or the principal's designate. Membership on the Student Council is considered a privilege.

## **SCHOOL CLOSING**

In the event that school must close due to bad weather or power failure, etc...the principal will send out a Parent Alert through your email as well as announce it on our website. The closure will also be listed on the Emergency Contact System that runs the names of schools that are closed on the major Chicago news channels.

**Please do not call the school!** If the public school districts that bus our students close, we generally close also.

## **WEEKLY BULLETINS**

A bulletin is e-mailed each Friday to all families and is also posted on the school website. This bulletin is designed to keep parents abreast of changes in the calendar and to give current information.

It is vitally important that parents read this bulletin each week. Only call the office if a question cannot be answered using this form of communication. Also remember that important dates can be found on the school's calendar. You can access the school's calendar by going to the school's website and click on Calendar in the top drop menu. Each family also received a hard copy school calendar at Fee Day.

## **PRINCIPAL MONTHLY NEWSLETTER**

On the first of every month the principal will send a newsletter that shares upcoming events and ongoing information. In addition, parents will be able to see articles and pictures on activities from the previous month.

## **ACADEMIC INFORMATION**

All instruction is in the English language, except as otherwise permitted such as in Spanish classes.

## **RELIGIOUS EDUCATION**

The religious education component of our school program is vital to our identity as a Catholic school. We teach religion on a daily basis, centering our curriculum on the major areas of faith development: scripture, dogma, liturgy, prayer, and sacraments. Our teachers use materials that include *The Catechism of the Catholic Church*, the Bible and grade-level appropriate textbooks.

Our staff is concerned not only with the intellectual development of our students but with their moral and spiritual formation as well. The Principal opens each day with Morning Prayer over the PA system, reminding students that they are God's well-loved children and urging them to care for one another. Teachers engage students in prayer before and after religion class, before meals and after meals, and at appropriate times during a school day. They also involve their students in preparing for and participating in the liturgies and prayer services that are part of school life. Children are instinctively imitative. For this reason, the staff of St. Patrick School makes a conscious effort to model what they teach, to offer the children an example of a community of Catholic adults dedicated to the development of their charges. The Mission and Philosophy statements outlined in the handbook are the milestones we follow in shaping the religious education of our students.

## **SACRAMENTAL PROGRAM**

Our children receive the Sacrament of Reconciliation in Grade 2, **First Holy Communion in Grade 2**, and Confirmation begins in Grade 7 and is completed in Grade 8.

Catholics are a sacramental people. As Catholics, we are aware that the Sacraments introduce us to and accompany us all through our religious lives. For this reason, we place great emphasis on our sacramental programs and especially upon the important role that our parents play in them. Here as elsewhere in the curriculum the partnership of parent and teacher is of paramount importance. Obviously the participation of the parents at sacramental meetings and prayer services is crucial. We will also provide them with informational bulletins whenever these are needed.

## **SCHOOL LITURGIES**

Our moral and religious life is made up of “practices”, habits of the heart. For this reason our students attend Mass on a regular basis, on holy days, and special times in the church or school year. Through these religious experiences children develop and deepen a faith relationship with God. The liturgy schedule is posted on our school website.

## **CURRICULUM**

Curriculum is established by the state and the Catholic School Office. Textbooks are selected by the school leadership team in consultation with the guidelines of the Office of Catholic Schools. Program content is continually upgraded through faculty study programs, research, and through the recommendations of the Catholic School Office.

St. Patrick School offers advance placement in 7<sup>th</sup> and 8<sup>th</sup> grade mathematics and in 8th grade ELA. Students are invited into these programs who have demonstrated a high aptitude in these subjects by grades, test scores and teacher observations. Grade 5 is provided an Introduction to Personal Finances through the First Bank of Highland Park.

The Family Life Program is taught in accordance with the Religion curriculum. The unit covers five strands: family living, personal growth, respect for life, social living, and Christian sexuality.

## **ELIGIBILITY - STUDENTS IN SPORTS/EXTRACURRICULAR ACTIVITIES (GRADES 5-8)**

Academics are a priority at St. Patrick School. Eligibility applies to the academics of only those students who are involved in any extracurricular activities sponsored by the school including but not limited to sports, cheerleading, choir, robotics, student council, or any other future clubs the school may sponsor. It is the faculty's intent to help each child achieve a balance between his/her academic affairs and extracurricular activities and to help a student remain eligible throughout the year. Faculty members shall determine a student's academic performance on a continuous basis throughout the trimester.

If a student has a D (69%) or less in any subject area, he/she will be ineligible to participate in their sport. The student may not participate in or attend the next week's games, practices, clubs the Monday through Sunday following notification of ineligibility. The following should be noted concerning this policy:

1. Parents will be notified by e-mail if the student becomes ineligible.
2. Eligibility begins with the first practice of the season and/or beginning of a club.
3. During the week of ineligibility, the student must show improvement of at least 1% or greater in the subject he/she was receiving a D.
4. For grades 6-8, eligibility shall be determined every 2 weeks based on the student's average grade on the Wednesday of that week. For 5<sup>th</sup> grade, eligibility shall be determined at the mid-term and end of each trimester.
5. Four weeks of ineligibility for students in 7<sup>th</sup> & 8<sup>th</sup> grade (during one season) will automatically eliminate that student from the sport/club in which he/she is currently participating. Four weeks of ineligibility for students in 5<sup>th</sup> & 6<sup>th</sup> grade (during one season) will automatically eliminate that student from the sport/club in which he/she is currently participating.
6. If there have been extenuating circumstances, a conference with the school staff may be called.

## **EXCUSED FROM P.E. CLASS:**

To be excused from participation in P.E. class, the teacher must receive a note/email from a parent or a doctor's letter describing an injury. Students who are not allowed to participate in P.E. class due to an illness or injury, may not participate in a sporting event held after school until they have returned to their P.E. class.

## **ACADEMIC PROBATION**

The St. Patrick staff continuously works with every student at St. Patrick School to reach their academic potential. If it is determined that a student is not academically performing to their potential or has earned a failing grade in a core subject, he/she will be placed on academic probation. Academic probation means that a remedial plan will be written by the teachers and school staff and completed by the student. The academic probation plan may include required tutoring by an accredited tutor or other remedial programs in the core subject of issue.

Upon completion of the work, an evaluation from the accredited tutor or program will be submitted to the school. The report will be reviewed by the school staff, student and parents. At that time, it will be determined if the student has met the requirements to be removed from academic probation. Promotion to the next grade level and / or re-enrollment the following year is always contingent upon meeting the rigorous academic standards of St. Patrick School.

### **STUDENT / FAMILY VACATION POLICY**

*It is highly recommended that parents avoid taking students out of school for family vacations.*

Homework will not be given prior to a vacation. Students may take books and their own Chromebooks or laptops to check See Saw or Google Classroom for daily assignments. The student should meet with teachers upon his/her return and request missing work and tests. No tests will be administered prior to the trip. **In order for a student to not miss additional instructional time, any make up tests will be given at 7:00 a.m. in the principal's office.** If the student returns from a trip prior to the end of the trimester the student may make up missing work and tests within a reasonable amount of time, (discuss with the teacher). Keep in mind when planning, if the trimester ends while the student is on vacation, a zero will be given on all missing assignments and tests due to gradebook closure dates. Please check end of trimester dates and again avoid vacations during school days.

### **LIBRARY POLICY**

Our library is an essential aspect of our school. The library extends our curriculum into research and enrichment areas. Each class K through 3 has a weekly library session. The Intermediate and Jr. High units will use the library to acquire reading materials or work on research for special projects or assignments.

If a book is damaged or lost, the parent will be notified of the cost to replace it. If the book is later found, no refund will be given, you are to keep the book. A student will not be able to check out any additional books until all overdue books have been returned or all replacement fees have been paid.

The number of books that may be checked out is as follows:

K & 1st	1 book
2nd, 3rd	2 books
4 <sup>th</sup> – 5th	3 books

### **REPORT CARDS**

Report cards are issued every trimester. At the end of the first and second trimester, report cards are sent home with the students in grades K-8. Parents are asked to sign the envelope and return it to school immediately. Third trimester report cards will be mailed home the week after school lets out. Report cards will be held and/or PowerSchool access will be terminated until outstanding fees are paid in full.

### **GRADES:**

Grades will be determined by the student's classroom participation, homework, and periodic tests. The grading scale for Grades 4, 5, 6, 7, & 8 is as follows:

➤ A = 90 – 100%	B = 80 – 89%
➤ C = 70 – 79 %	D = 60-69%
➤ F = 59 % or below	

### **HONOR ROLL**

Honor roll will be for students in grades 6 through 8. Honor rolls are: A honor roll (all A's), A-B honor roll (all A's and/or B's).

### **REPORTS TO PARENTS**

Mandatory conferences are held for all students every year in November. Conferences at the teacher's request will be in March. The time assigned for conferences in K-8 should be strictly adhered to. Both parents should be in attendance, whenever possible. Students in grades 4-8 are highly encouraged to attend with their parents.

In the event that the parent or teacher feels the need for a special conference, one can be scheduled at any time throughout the year. The teachers are available by appointment before and after school. Conferences have specific starting and ending times, which will be determined when the conference is scheduled. Both parties are expected to be prompt. If the parents are late, the conference may need to be rescheduled.

Mid-term grades are available on Power School gradebook each trimester to all parents in grades 4-8. This allows sufficient time for students to improve their progress before report cards are issued. For grades 4-8, PowerSchool is also updated weekly.

### **ASSESSMENTS**

Three times per year all students in grades K-8 will take the progress monitoring assessment, iReady. This online assessment is meant to give the teachers a snapshot of where the student's skill levels are at that moment in time. The iReady program then takes the data from the first diagnostic test of the year and creates a differentiated instructional packet for each child. The student is to use the math and ELA packets throughout the trimester, until the next test. To see growth, students should be working in their individualize packets 30 minutes each week for math and 30 minutes each week for ELA. For students in grades 6-8, 40+ is required.

### **RESPONSE to INTERVENTION (RtI)**

The Response to Intervention is a three-tiered system to provide services for students. It is designed to provide effective interventions to meet the needs of all students. The interventions used need to be scientific, peer-reviewed, and research-based.

RtI focuses on improving the educational performance of any student when a behavioral and / or academic difference exists between their current performance and the desired performance. This model promotes team-based problem solving and creative, efficient, and effective use of all staff and instructional resources.

The purpose of RtI is to identify student needs and provide all students with a continuum of increasingly intensive interventions based on individual need. A thorough decision-making process is used to blend general education and our learning resource team's expertise and resources into one system that more effectively meets students' needs. The students' strengths and weaknesses are assessed based on their academic performance or behavior in the school environment. The student's progress is directly and frequently monitored at all levels of the decision-making and intervention.

### **STUDENT SCREENING PROCESS**

If the St. Patrick Team makes the decision that a student should be evaluated based on different data collections, the special services team at St. Patrick's would then gather more data. Students might be screened in different academic areas or social emotional and speech and language development. The result of the screening process is a systematic collection of information for every child screened, which helps determine whether there is a need for further assessment to determine eligibility for special services. Screenings are conducted whenever concerns are raised about academic, social emotional or speech and language development. Screenings are informal and when formal testing or RTI intervention is needed, parents will be contacted.

### **PRIVATE EDUCATIONAL TESTING**

It is most important that if you suspect learning problems, you discuss your concerns with your child's teacher. The teacher can often advise and implement classroom strategies to address your concerns. If the child continues to struggle, the teacher may confer with Special Education teacher or reading specialist for a screening. Additional interventions may then be attempted or an Intervention Team meeting may be scheduled. If educational testing is warranted, District #56 will be contacted by St. Patrick School. District #56 has access to a multidisciplinary team of testing specialists. Private testing is not recommended. If you choose to have your child tested privately for learning disabilities, we will request an additional referral through District #56. The support system offered by the public school district is invaluable to us as we prepare an individualized educational plan for our eligible students.

### **REQUIRED SAFETY DRILLS**

- 3 School Evacuations Drills, with one including participation / observation of the local Fire Department.
- 1 Bus Evacuation Drill and appropriate Bus Safety Instruction per grade level or waiver for any school that does not use buses during the school year for any reason.

  - School administrators and school support personnel may, in their discretion, exempt a student or students from participating in a walk-through lockdown drill.
  - However, schools must provide alternative safety education and instruction related to an active threat or active shooter event.

Access to computers/Chromebooks/iPads provides the potential availability of material that may not be considered of educational value in the context of the school setting. Appropriate behavior, as it relates to the use of computers/Chromebooks/iPads, is no different from behavior expectations in all other aspects of the learning and instructional program. All users are expected to use the technology resources and computer networks in a responsible and ethical manner. This document is intended to clarify these expectations as they apply to computer/Chromebook/iPad and network usage at St. Patrick School.

When students graduate from St. Patrick School, St. Patrick School takes ownership of the Chromebook. The original leasing fee is nonrefundable.
- All students must have a *Technology Acceptable Use Policy Form* on file in order to receive their school-owned Chromebook.

### **Chromebook Content Filter**

- St. Patrick School utilizes an Internet content filter that is in compliance with the federally mandated Children's Internet Protection Act (CIPA). All Chromebooks used in the school will have all Internet activity protected by the same firewall.
- In addition, Google provides a lockdown component that is part of their licensing per device. This provides another layer of protection.
- Also included in each device's annual leasing cost, in Grades K-8, is a subscription to the *Go Guardian* monitoring platform. *GoGuardian* allows teachers and Technology Staff to see everything a student is doing on their Chromebook at any time. This cloud based, monitoring platform gives St. Patrick School the added benefit of securing our students' online activities and safety. This security feature will work at school and at home.

### **Chrome Web Apps and Extensions**

Students are allowed to install appropriate Chrome web apps and extensions from the Chrome Web Store ***only when instructed by their teachers***. Most apps and extensions are managed by the Administrator on our Google Workspace for Education Account. Students are responsible for the web apps and extensions they install on their Chromebooks. Some web apps will be available to use when the Chromebook is not connected to the Internet.

### **Chromebook Repair**

- If a student's Chromebook needs repair, the student should bring it to Mrs. Orchard's office the day the Chromebook is damaged.
- If a device is lost, on or off campus, the parent/guardian/student will be charged the full replacement cost of the device in addition to the yearly leasing fee. In K-2 the replacement cost is \$350.00 (touchscreen model) and in Grades 3-8 the cost is \$250.00 (non-touchscreen model). Any fees will be charged to your FACTS account.
- The parent/guardian/student is responsible for the repair cost of any Chromebook which cannot be repaired through insurance. Damage that is not covered by insurance is termed vandalism. Such damage includes, but is not limited to, drawings, markings, engravings, as well as damage to the framing of the screen (rubber or plastic). The repair cost is dependent upon the quote/invoice from our repair facility and at the discretion of the Administration. Any fees will be charged to your FACTS account.
- A replacement fee of \$20.00 will be charged for any power cord that is lost or damaged. This fee will be charged to your FACTS account.
- If another student has damaged the Chromebook in any way, the student who was issued the Chromebook is still responsible for the fees.

### **Chromebook Loaner Policy**

- **If a student's Chromebook is in need of repair, the student will receive a loaner for the duration of time that the Chromebook is out for repair.**
- All students need to bring their Chromebook to school daily. In Grades K-8, if a student forgets their Chromebook, the parent/guardian will be contacted in order to bring their child's Chromebook to school. If a parent/guardian cannot bring their child's Chromebook to school, a loaner may be issued, if there is one available. If a student forgets his/her Chromebook on a regular basis, a demerit may be issued at the discretion of the teacher, in Grades 4-8.
- Students must charge their Chromebooks every night. In Grades K-8, if a student forgets to charge their device, there will be a limited number of cords available in each classroom for charging. If a student in Grades 4-8 comes to school, on a regular basis, without their Chromebook being charged, a demerit may be issued at the discretion of the teacher.
- The parent/guardian/student will be responsible for any damage to or loss of the loaner Chromebook while it's in their child's possession.
- The parent/guardian/student will be responsible for any damage to or loss of the loaner Chromebook while it's in their child's possession.

## Use of Google Meet

- Teachers may be using Google Meet during the school day to meet the needs of students on campus. Google Meet will be used at the discretion of the individual classroom teachers.

### **Policy on Livestreaming Classes on Google Meet**

- Beginning in 2021-22, there was no longer a need for long term e-learning, which included live streaming, and as such the livestreaming of classes on an ongoing basis was discontinued. For the 2024-25 school year this policy remains in effect.
- In the event of a possible class quarantine or a weather emergency, teachers may use live streaming at their discretion.
- **Please Note: The Archdiocese of Chicago approves the use of Google Meet for virtual, non recorded, class meetings.**

## Chromebook Turn-in June 2024

At the end of the 2024-25 school year all Chromebooks need to be returned in good condition. The charge cords will be kept home for use in the 2024-25 school year. Students in Grades 8 and Grade 2 will turn in their cords as the 2nd graders get non-touch in Grade 3 and, of course, Grade 8 is leaving us. The parent/guardian/student is responsible for any costs needed to restore the device to the condition in which it was received by the student in August 2023. These costs are dependent upon if the device can be repaired, as well as if the needed repair is covered by insurance. If the device cannot be repaired by insurance, the cost is dependent upon the quote/invoice from our repair facility. If the device cannot be repaired, the parent/guardian/student will be charged the full replacement cost for the Chromebook (Grades K-2, \$350.00 and Grades 3-8, \$250.00). If a student doesn't return his/her charger, the parent/guardian/student will be charged a replacement fee of \$20.00. Any fees will be charged to your FACTS account.

## Cell Phone/Smart Device Policy

Cell phone use and/or the use of any smart device is not allowed during school hours, 7:30 a.m. to 3:30 p.m.

Smart devices include, but are not limited to, devices such as cell phones and (wrist) smart devices, such as the iWatch. No personal iPad or other tablets are allowed on campus. Please note that any device which has the ability to connect to the internet or that has the ability to communicate with a cellphone is considered a smart device under this policy. ***For this reason, we highly recommend that students not bring any smart devices to school. However, if a parent/guardian wants their child to bring a cell phone or other smart device to school, the parent/guardian needs to give her/his permission by submitting the Cell Phone/Smart Device Policy Form. Please note: Fit bits, and other exercise tracking devices, as well as traditional digital watches, may be worn at school.***

***Please note:***

- If a parent /guardian/ student submits the Cell Phone/Smart Device Form, the student must turn in their cell phone/smart device to their homeroom teacher upon arrival.
- The cell phone/smart device will be secured by the teacher for the day.
- The phone/smart device will be returned to the student at dismissal, and they must place the phone/smart device in their backpacks immediately.
- Students not complying with the cell phone/smart device policy will have their phone/smart device taken away, and a parent must pick up the phone/smart device from the principal's office. A consequence will be given to a student based on the number of offenses as well as the severity of the offense.
- Students may not use their cell phone/smart device on the bus unless the bus driver gives them permission to use it.
- ***Requesting to bring a cell phone/smart device to school places liability of the phone/smart device on the student and parent/guardian. St. Patrick School is not responsible for any phone or other smart device that is lost or damaged while on campus.***

**E-Reader Policy**

E-Readers may be brought on campus for use during the school day and/or for use in our aftercare program, Innovation Learning. E-readers may be brought on campus for the reading of previously downloaded books only. Students may not use any other function, such as the internet, while on campus. If a student uses the e-reader for any purpose, other than reading downloaded books, the student will no longer be able to bring their e-reader to school for the remainder of the school year. Students will be responsible for the e-reader throughout the school day and in aftercare. Homeroom teachers will not secure the device. Students will be able to have the e-reader with them for use at appropriate times during the school day, at the discretion of the teacher. If a student uses an e-reader at an inappropriate time, the teacher has the right to take the device away from the student. The device will be returned to the student at dismissal. Bringing an e-reader to school places liability of the e-reader on the student and parents. ***St. Patrick School is not responsible for any e-reader that is lost or damaged while on campus.*** E-Readers are not to be shared at any time with any other student on campus. ***Please Note: If a parent/guardian wants their child to bring an E-Reader to school, the parent/guardian needs to complete and submit the Cell Phone/Smart Device/E-Reader Policy Form.***

St. Patrick School is devoted to giving our students and teachers the tools they need to succeed in an ever changing digital world. We are a one-to-one Chromebook environment for all students in Kindergarten through Grade 8, and we have been a Google school since 2016. Our goal is to provide a blended learning environment that combines traditional strategies with the use of digital tools.

#### ***What is the difference between leasing a Chromebook from the school and purchasing my own device or using one I already own?***

St. Patrick School must own the Chromebooks to control what a student can and cannot do with their Chromebook. These devices are meant for educational purposes only. Any use of a school owned device for personal use is against the St. Patrick School Technology Acceptable Use Policy.

#### ***Will my student be able to take his or her Chromebook home?***

All students will be able to take their Chromebooks home. They may use it both at school and at home for educational purposes only.

#### ***What happens if the Chromebook is misused and needs repair not covered under the insurance?***

The student and his or her parents/guardians will be responsible for any charges incurred from the misuse of a Chromebook (termed vandalism). If no cord is returned, then it will be considered a lost cord, and the replacement fee will be the responsibility of the parent.

***Will students be able to print?***

Students will be encouraged to digitally publish and share their work with their teachers and peers when appropriate. Families may set up Google Cloud Print to print from their Chromebooks at home. Information about Google Cloud Print can be found here; <http://www.google.com/cloudprint/learn> Please note that students cannot print from their Chromebooks while at school.

***Can the wireless network in the school manage the load?***

Yes. We continue to monitor our network and make upgrades whenever necessary.

***How does the school plan to limit the use of the Chromebook to keep students focused on school?***

Google provides a lockdown component that is part of their licensing per device. Also included in each device's annual leasing fee is a subscription to *GoGuardian* (K-8). This is an additional monitoring platform for each student. This platform allows the school to view all student search history, block non-educational websites, and filter for inappropriate and/or concerning searches (such as self-harm). Both security features will work at school and at home.

***How then will students be able to research if the lockdown software is in place?***

Most St. Patrick School student research is done adequately through the current firewalls and monitoring platforms. St Patrick School **MAY** offer more independent research if administration and staff believe students are prepared to do so.

***When will Chromebooks be distributed?***

The leasing fee must be paid, and the Acceptable Use Policy must be signed and submitted before a student receives their Chromebook. All Chromebooks will be handed out to students during the first 2 weeks of school.

St. Patrick School has two posted tuition rates, one for stewardship families and one for non-stewardship families. In general this distinction is only applied when a family, for whatever reason, declares themselves as a non-stewardship family or a non Catholic Family. As per the "Parent Tuition Agreement", rates for tuition will be determined by active participation of the family in parish life. This includes but is not limited to participation in the mass and sacraments, ministry involvement, and living the stewardship way of life. The Pastor and/or his designated associate(s) will use this information to determine, on an individual basis, if the family participates in the parish community. If the Pastor concludes that this family is not an active parishioner (Stewardship family), the tuition for the following year will be increased to the non-parishioner rate. (Fiscal Management)

### **BOOSTER CLUB**

The Booster Club is an organization headed by the Athletic Director and assisted by school parents and other adult members of the parish who volunteer to coordinate, supervise, and fund the various athletic activities of the school. This includes boys/girls basketball, boys/girls volleyball, cheerleading, and track. The Club is responsible to the Board of Specified Jurisdiction, and thus subscribes to their philosophy of the St. Patrick Athletic Program, as follows:

The athletic program of St. Patrick School strives to develop young Christian athletes. Participants place their relationship with God before individual and team accomplishments. They are taught to play their best as they demonstrate the qualities of good sportsmanship and fair play.

The following developmental objectives are consistent with this philosophy:

- 1. Student athletes develop SPIRITUALLY by applying Christian principles of fair play and positive regard for others in practice and competition.
- 2. Student athletes develop PHYSICALLY by promoting good health habits for self and family, improving physical fitness, and learning new skills.
- 3. Student athletes develop PSYCHOLOGICALLY by increasing their feelings of self-worth, and by improving their self-discipline and sense of responsibility.
- 4. Student athletes develop SOCIALLY by practicing good sportsmanship, by developing improved cooperation with others as part of a team, and by learning effects of competition in playing to win yet learning from defeat.

Parents of athletes participating on St. Patrick School teams are required to volunteer their services to assist in various club activities and fund raising projects. Activities include chaperoning games, communications, and occasional meetings.

One of the Club's greatest responsibilities is to select coaches with expertise in their sport who are positive role models for our students. We wholeheartedly acknowledge our coaches as fine leaders and motivators, and support their policies and practices. It is imperative that all players be at every practice and game on time unless excused for illness or other legitimate reason. Only players who compete in league games can practice with the team. The coach has the ultimate responsibility to determine player eligibility on the basis of attendance and punctuality. Coaches, too, have the responsibility to end practices on time so that players can be picked up immediately.

There is a \$85 Activity Fee per student (5<sup>th</sup> – 8<sup>th</sup> grades) for each sport your child participates in, including cheerleading. There is a \$25.00 Activity Fee per student (5<sup>th</sup> grade) for instructional basketball. All parents are urged to attend their son’s and daughter’s games so as to lend both their physical and moral support to our students’ efforts. Any serious concern parents or students have about the athletic program should be addressed directly to the Booster Club Athletic Director. Booster Club meetings will be held the third Wednesday of every month. All meetings will begin at 7:00 P.M.
