# 'S SUMMER MATH SCAVENGER HUNT

This summer we are encouraging you to explore math! Math is all around you - see how many different activities you can try this summer!

- ☐ Keep a tally of animals you see in your backyard.
- ☐ Make a story problem about your day.
- ☐ Count how many steps you take to get to different parts of your house or yard.
- ☐ Use a unique unit (paperclip, crayons, pencils to measure things around the house.
- ☐ Add up the ages of everyone in your home.
- ☐ Roll two dice with a partner, the first one to say the sum wins! Play a few times.
- ☐ Help bake something. Get out all the correct measuring spoons and cups.
- ☐ Hunt around your house or neighborhood for numbers! Draw pictures of where you find them.
- ☐ Write down what you do one day with a clock showing the time for every hour.
- ☐ Keep score during a family game night.
- ☐ Practice math facts with chalk.
- ☐ Search your house for 2D and 3D shapes. Draw what you find.
- ☐ Help count money in a piggy bank.
- ☐ Play St. Pat's Summer Math O Matics!

**Rules:**

1. Fill in all the blank spaces with a math fact (K-1 use addition facts, 2-3 use subtraction facts).
2. Roll a dice and move that number of spaces.
3. If you land on a math fact, answer it.
4. If you land on a St. Pat's shamrock, pick up a card and follow the directions.
5. Play until someone reaches the winner's space!
